Representative **RUDNICKI**: Madam Speaker, I'm sorry for interrupting but I felt like I was called to get this out. Is it customary for Committee Chairs to change the rules midstream so that one side gets more time to speak than the other? This disenfranchised the majority of the people who waited many hours to testify. That is unacceptable and it must not happen again if we want true equity in our public hearing process. JOINT RESOLUTION RECOGNIZING MAY 2023 AS MENTAL HEALTH AWARENESS MONTH

WHEREAS, the mental health and well-being of all children, youth, adults and families in the State are of fundamental importance to the Legislature; and

WHEREAS, since 1999, the national suicide rate has increased more than 30%, with more than 10 million individuals experiencing suicidal thoughts and 1.4 million individuals attempting suicide annually in the United States; and

WHEREAS, approximately 129 individuals die by suicide in the United States each day; and

WHEREAS, suicide, opioid misuse and addiction and children's mental health issues are areas of concern in the State; and

WHEREAS, there are approximately 65,000 adults in the State who are living with a serious mental illness, including, but not limited to, bipolar disorder, severe depression and schizophrenia, and 27.2% of the children in the State have a mental illness, the highest rate of any state in the nation; and

WHEREAS, the effective treatment of mental health conditions is critical to reducing the number of individuals and families who find themselves in mental health crises, to breaking individual and generational cycles of mental illness and to promoting healing; and

WHEREAS, recovery from a mental illness requires access to professional services and involves families and caregivers as allies in recovery and as critical members of the care delivery team; and

WHEREAS, maintaining an open dialogue regarding mental health conditions encourages individuals struggling with mental illness to seek help and is an essential component to fighting the stigma associated with mental illness; now, therefore, be it

RESOLVED: That We, the Members of the One Hundred and Thirty-first Legislature now assembled in the First Special Session, on behalf of the people we represent, take this opportunity to recognize May 2023 as Mental Health Awareness Month in order to raise awareness of mental health conditions and services and to break the stigma surrounding mental illness in the State.

READ.

The SPEAKER: The Chair recognizes the Representative from Old Orchard Beach, Representative Gramlich.

Representative **GRAMLICH**: Thank you, Madam Speaker. Madam Speaker, I rise today to recognize May as Mental Health Awareness Month. This year's theme, More Than Enough, reminds us that those around us in the mental health community are, indeed, more than enough. While 65% of Americans are concerned about the stigma around mental illness, only half of Americans say they are familiar with the mental health care system. As we know, Madam Speaker, mental health is an incredibly important part of our overall health, thus the timeliness for this could not be more relevant. In fact, Madam Speaker, not only is our individual and collective mental health critically important, mental health issues impact just about every single one of us. One in five U.S. adults experience mental illness each year and less than half of them receive treatment. One in 20 U.S. adults experiences serious mental illness each year and less than two-thirds receive treatment. And we have seen a 31% increase in mental health-related emergency department visits among adolescents alone.

Mental health issues among children are also a growing concern. According to the National Institute of Mental Health, one in six children ages between six and 17 experience a mental health disorder each year. These issues can impact a child's development, academic performance and overall well-being. Suicide is the second leading cause of death among individuals age 10 to 24 and untreated mental health issues can contribute to this statistic. By providing mental health services to children and their families, we can identify and address mental health issues early, preventing them before they become more severe.

Again, this year's theme, Madam Speaker, More Than Enough, underscores that all people, no matter where they are on their mental health journey, are deserving of support,

resources, fulfillment and a community that cares. So, what can we do? Learn the warning signs of emotional distress and suicide, engage affected loved ones in supportive dialogue, fight the prejudice and negative attitudes that discourages those in need from seeking mental health support and support funding and parity for mental health care and treatment because we all, after all, Madam Speaker, are more than enough. Thank you, Madam Speaker.

Subsequently, the Joint Resolution was **ADOPTED**.
Sent for concurrence.

READ.

The SPEAKER: The Chair recognizes the Representative from Carmel, Representative Thorne.

Representative **THORNE**: Thank you, Madam Speaker. I rise today to recognize May as Military Appreciation Month. Everybody has a story here in the Legislature that they lived before they got to this point and one of the things that I mention on occasion is that I was fortunate enough to spend 21 years in the United States Air Force. And I look around in this Body and there are almost 20 that have served in uniform; Army, Navy, Air Force, Marines and even Coast Guard. And today in Maine, we have the fifth-highest per capita ratio of veterans in our population. There are 98,703, give or take, which represents 8.8% of Maine's population are military veterans. In the United States, there are 1.18 million; 1.18 million that are currently serving on active duty in the military, 84,000 serving in Asia, 67,000 currently serving in Europe, leading to stability across the globe. In the United States, there are 16.5 million veterans. I'd also like to point out that in World War II, there were 16 million military that served for the United States. Out of that 16 million, 167,000 are still alive. That represents 1% of what we call our Greatest Generation, World War II veterans. I think about the members of the Legislature that have family, whether it be fathers, mothers, husbands, spouses, wives, sons, daughters,

grandchildren that are serving or have served in the United States military.

I'd like to share with you just a brief snapshot of what I experienced in my life for 21 years in the Air Force. We had and lived by what we call our core values that were instilled upon us and reminded to us on almost a daily basis. Those three things were integrity first, service before self and excellence in all we do. And after you live that for 21 years, it's hard to come out and think of anything that you don't live with those values. And, lastly, I'd like to share with you, this is called an Airman's Creed in the United States Air Force and I share it with my other colleagues that were in the other services because I understand not everybody can get into the Air Force. The Navy and the Army got that, the Marine Corps is still figuring it out, sorry, Leader Faulkingham.

I am an American Airman. I am a warrior. I have answered my nation's call. I am an American Airman. My mission is to fly, fight and win. I am faithful to a proud heritage, a tradition of honor and a legacy of valor. I am an American Airman. Guardian of freedom and justice, my nation's sword and shield, its sentry and avenger. I defend my country with my life. I am an American Airman. Wingman, leader, warrior. I will never leave an Airman behind. I will never falter, and I will not fail.

Thank you, Madam Speaker.

The SPEAKER: The Chair recognizes the Representative from York, Representative Sargent.

Representative **SARGENT**: Madam Speaker, Men and Women of the House, I rise to speak in solemn support of this Resolution. It is appropriate and important that we pause, reflect, respect and remember those who answered and still answer the call to protect our great country. Though I, myself, have not served, I am proud to honor my uncle, George Taylor, who landed on Anzio Beach in World War II, my father and brothers who all served and my personal hero, General and Governor Joshua Lawrence Chamberlain, who led the 20th Maine at Little Round Top. As Representative Thorne mentioned, I'm certain that most of us have family members who have served and I know that all of us have constituents who have served. Therefore, as we wrestle to do our best in advancing our Republic and serving our people, we salute those who have stepped forward to keep us safe. Thank you, Madam Speaker.

The SPEAKER: The Chair recognizes the Representative from Brewer, Representative O'Connell.

Representative **O'CONNELL**: Thank you, Madam Speaker, ladies and gentlemen. Don't take for granted what we have. I've been to many countries where they don't enjoy the freedoms that we have here today. So, when you see that vet, when you see that person in uniform, please take the time to say thank you for your service. We're a humble bunch, some of them won't know what to say, but just put your hand out, they'll appreciate it. Thank you.

The SPEAKER: The Chair recognizes the Representative from Rockland, Representative Geiger.

Representative **GEIGER**: Thank you, Madam Speaker, Ladies and Gentlemen of the House. I somehow missed the opportunity to put my name on this and I just felt the need to stand. My dad was a career Air Force, served 16 years, died on active duty when I was six. I know the kind of service and commitment that requires. I know the incalculable loss when someone is lost in the military to the family and friends that remain behind and I also know the honor he felt in serving and in the way that the military takes care of its families when there is a loss. And so, I too want to say thank you to the military, for appreciation for all that they do, all the ways in which they serve,

and all the ways in which they look after a family. I am the first person in my family to ever go to college and that is strictly because the Department of Defense helped me get there. Thank you.

Recognizing:

Ruth Weeks, of Cumberland, a student at Greely High School and a member of the school's debate team, who won the Senate Final of the Maine Forensic Association State Tournament and the Maine Qualifiers for the 2023 National Speech and Debate Association National Finals in Phoenix, Arizona. We extend our congratulations and best wishes;

(HLS 283)

Presented by Representative GRAHAM of North Yarmouth. Cosponsored by Senator PIERCE of Cumberland, Representative MORIARTY of Cumberland.

On **OBJECTION** of Representative GRAHAM of North Yarmouth, was **REMOVED** from the Special Sentiment Calendar.

READ.

The **SPEAKER**: The Chair recognizes the Representative from North Yarmouth, Representative Graham.

Representative **GRAHAM**: Thank you, Madam Speaker. I'm happy to say that I have all kinds of amazing people in my community and want to thank Camden Wengler, Ruth Weeks, Nat Thompson and Jack Bakken for paging today. My hope is they may get a sense of our work here and this great experiment we call democracy. Who knows? Maybe they'll sit in these seats one day.

I also would like to share some quotes from a News Center Maine piece that I saw in March about Ruth and about her debate coach, Jason Curry. Ruth Weeks said debating is just about talking with people who may have different opinions than you, opinions that have helped boost her confidence over the years. People are going to try and not belittle your point but poke holes in it, anyway, and knowing that you can stand up there and you can have the confidence, Ruth felt that was how she can be successful.

Hold on a second. Sorry about that, my friends. Secondly, both Ruth and Jason talked about how to be successful in

debate but also, again, in that thing we call democracy. I also want to point out that Mr. Curry, Jason Curry, has been a debate coach for 25 years at Greely High School and he's stepping down in a really great way because he's sending his debate champions off to Arizona and he gets to go with them. So, again, I'm so honored to have people like Ruth, like Camden, like Nat, Jack and, particularly, Mr. Curry in my community. Thank you, Madam Speaker.

Subsequently, this Expression of Legislative Sentiment was **PASSED** and sent for concurrence.

Representative **QUINT**: Thank you, Madam Speaker.
