Representative Brennan Proposed Amendment
LD 138, An Act to Increase Student Reading Proficiency

Strike the bill and replace it with the following:

Resolve, Regarding Reading Proficiency Data Analysis

      Sec. 1. Reading data analysis. Resolved: That, the Department of Education shall conduct an analysis of reading assessment measures, locally established benchmarks, reading achievement data available between Spring of 2021 and Fall of 2022, and reading instructional programs and resources being utilized by School Administrative Units. The Department's examination shall focus on which measures, programs, resources, evidence-based practices, and educator supports are yielding student growth.

      Sec. 2. Report. Resolved: That, no later than January 1, 2022, the Department of Education shall submit a report that includes its findings and a set of recommendations for improving student outcomes in reading to the Second Regular Session of the 130th Legislature and a second report in December 2022.
