

§1491. Legislative findings and purpose

The Legislature finds that a major detriment to the commercialization of solar energy in Maine is lack of consumer confidence in the performance and reliability of solar energy equipment. It is the purpose of this chapter, therefore, to establish a minimum warranty for the sale and installation of all solar energy equipment in Maine. [PL 1979, c. 299 (NEW).]

SECTION HISTORY

PL 1979, c. 299 (NEW).

The State of Maine claims a copyright in its codified statutes. If you intend to republish this material, we require that you include the following disclaimer in your publication:

All copyrights and other rights to statutory text are reserved by the State of Maine. The text included in this publication reflects changes made through the Second Regular Session of the 131st Legislature and is current through October 15, 2024. The text is subject to change without notice. It is a version that has not been officially certified by the Secretary of State. Refer to the Maine Revised Statutes Annotated and supplements for certified text.

The Office of the Revisor of Statutes also requests that you send us one copy of any statutory publication you may produce. Our goal is not to restrict publishing activity, but to keep track of who is publishing what, to identify any needless duplication and to preserve the State's copyright rights.
