**2. Out-of-home services.** The department shall provide out-of-home services in accordance with this subsection.

A. The department shall maintain an adequate capacity to provide out-of-home safety and support by trained staff with appropriate professional backup resources for a person with an intellectual disability or autism experiencing a crisis that cannot be safely managed at the person's residence. [PL 2011, c. 542, Pt. A, §93 (AMD).]

B. Unless otherwise specified in personal planning, crisis intervention services must be provided at a person's home, program or workplace when prevention efforts are not successful. The services must assist with admission to an appropriate out-of-home service in the event that intervention in the home, program or workplace is inappropriate. [PL 2007, c. 356, §19 (NEW); PL 2007, c. 356, §31 (AFF).]

[PL 2011, c. 542, Pt. A, §93 (AMD).]

**4. Post-crisis review.** A post-crisis review must occur no more than 10 working days after any out-of-home crisis placement. The review must include significant providers and supporters, including appropriate members of the person's planning team. The review must identify possible causes of the person's crisis and must recommend for the personal planning team changes in the person's environment, services and supports to prevent crises in the future.

The department shall, when appropriate, use the natural supports of a person in the development of respite services. For purposes of this subsection, "natural supports" means those supports provided by persons who are not disability service providers but who provide assistance, contact or companionship to enable

a person with an intellectual disability or autism to participate independently in employment or other community settings.

[PL 2011, c. 542, Pt. A, §93 (AMD).]

**6. Information regarding use.** The department shall maintain information regarding use of crisis and respite services sufficient to plan and budget for adequate crisis and respite services. The information must include an assessment of the needs, both met and unmet, for crisis and respite services.
