6. Skills training. When sufficient funds are available, the commissioner shall arrange for skills training for consumers in the following areas by the following individuals:

[PL 2007, c. 695, Pt. A, §41 (RAL).]

8. Review of reimbursement rates. By January 1, 2008 and every 2 years thereafter, the commissioner shall review the rates of reimbursement under the program. As part of the review, the following provisions apply.

A. The commissioner shall:

(1) Ensure the input of consumers, personal assistants and any organization that represents personal assistants regarding providing a livable wage for personal care assistance services. The commissioner may seek input through one or more public hearings or by other means determined reasonable by the commissioner. [PL 2009, c. 369, Pt. A, §34 (AMD).]

B. If the commissioner determines that an increase in one or more of the reimbursement rates is necessary after the review required in this subsection, the commissioner shall adopt rules to accomplish the required rate increase. In making a determination under this subsection, the commissioner shall consider using any savings realized from an expansion of consumer-directed services to increase wages and benefits for personal care assistants. [PL 2007, c. 695, Pt. A, §41 (RAL).]

C. The commissioner shall determine rates of reimbursement that include allowable administrative costs and that use available resources to maximize wages and benefits for personal care assistants and hours of services for consumers. [PL 2007, c. 695, Pt. A, §41 (RAL).]
[PL 2009, c. 369, Pt. A, §34 (AMD).]
