

§353-B. Tuition benefit for member

A member who meets the prerequisites of section 354 is entitled to a 100% tuition benefit at a state postsecondary education institution, except that the tuition benefit at a state postsecondary education institution that is a private nonprofit postsecondary education institution may not exceed the in-state tuition at the University of Maine at Orono for the previous academic year. The benefit applies to tuition for a member enrolled or accepted for admission to a state postsecondary education institution on a full-time or part-time basis. To be eligible for the benefit, a member must be enrolled full-time or part-time at a state postsecondary education institution. The benefit may be used to earn one credential at the following levels: baccalaureate, associate or certificate and licensure. The benefit must be reduced by any other tuition assistance received by a member not related to housing costs or non-tuition expenses. [PL 2017, c. 419, §3 (AMD).]
