

§5203. Program guidelines

1. Program established. There is established, within the Department of Agriculture, Conservation and Forestry, the Maine Shoreline Public Access Protection Program, referred to in this chapter as the "program" for the purposes of encouraging and supporting the acquisition and development of shoreland areas by the State Government and local governments. Any acquisition or development of shoreland areas supported by this program shall be undertaken solely to enhance, preserve or protect public access to coastal shoreland areas. The commissioner shall establish, amend or repeal rules of the department necessary to accomplish the purposes of this chapter.

[PL 1985, c. 794, Pt. B (NEW).]

3. Coastal municipality participation. Notwithstanding any guidelines established pursuant to this chapter, at least 50% of all revenue available from the fund must be disbursed to municipalities located in the coastal area, as defined in Title 38, section 1802, for the acquisition or development of shoreline access areas. The amount disbursed to such a municipality pursuant to this section may not exceed 50% of the total cost of the acquisition or development project.

[PL 2021, c. 676, Pt. A, §26 (AMD).]
