

§10001. Person with hemophilia

1. Participation in physical activity. A post-secondary institution may not require a person with hemophilia to participate in physical activity hazardous to that person's physical health, as a condition or requirement for a degree, unless the physical activity is approved by the state board as an essential prerequisite to that degree.

[RR 2019, c. 2, Pt. B, §19 (COR).]

2. Admission. A post-secondary institution may not refuse admission to a person with hemophilia solely because of that person's condition as a hemophiliac, unless that condition would prevent participation in required courses of study of physical activity.

[RR 2019, c. 2, Pt. B, §19 (COR).]
