An applicant will receive payment from the authority on the applicant's outstanding indebtedness for dental education at a rate of \$20,000 per year of service for up to 4 years as long as the applicant continues to serve as a practitioner of dental medicine in an underserved population area. A loan repayment participant who signs a first agreement after January 1, 2020 receives payment from the authority on the participant's outstanding indebtedness for dental education at a rate of up to \$25,000 per year of service for up to 4 years as long as the participant continues to serve as a practitioner of dental medicine in an underserved population area. **7. Default.** A loan recipient who agrees to practice in an underserved population area and who fails to complete the period of service required to pay off the loan is liable to the authority for an amount equal to the sum of the total amount paid by or on behalf of the authority to or on behalf of the recipient under the contract plus interest at a rate determined by the authority. Credit for practice in an underserved population area will be awarded for each consecutive 12-month period served. Exceptions may be made by the authority in accordance with subsection 8.

A loan recipient may be granted permission to default without penalty from an agreement to serve in an underserved population area by petitioning the authority. Grounds for permission to default without penalty include, but are not limited to, catastrophic circumstances that prevent the recipient from

remaining in an underserved population area for the required period of time. The recipient receives credit for the number of months served and the remaining financial obligation plus interest must be repaid to the authority in cash under the terms of the original agreement.

Interest at a rate to be determined by rule of the authority must be assessed during the deferment. The student's total debt to the authority, including principal and interest, must be repaid either through return service or cash payments. The chief executive officer shall make determinations of deferment on a case-by-case basis. The decision of the chief executive officer is final.
