2. Meetings. The advisory committee shall meet at least 6 times per calendar year. [PL 1991, c. 518, §15 (AMD).]

3. Duties. The advisory committee:

A. Shall advise and assist the center and its satellite programs in the preparation and submission of an annual report on the center and satellite programs to the commissioner and to each municipality served by the center or satellite programs; [PL 1991, c. 518, §15 (AMD).]

B. Shall develop a cooperative agreement delineating the duties and powers of the advisory committee. A cooperative agreement or any amendment to the agreement must be ratified by the school board of each unit or affiliated unit served by the center. A cooperative agreement must be reviewed annually by the advisory committee and submitted by the center and its affiliated units to the commissioner. Beginning with the school year starting after June 30, 2025, the cooperative agreement must include an equivalency agreement for credit gained through a career and technical education program to be accepted as a core credit toward a high school diploma for each of the school administrative units governing or affiliated with the center; and [PL 2023, c. 247, §2 (AMD).]

Following withdrawal by such a unit, the center shall, if the unit wishes, continue to serve that unit under a financial arrangement approved by the center that does not assess the unit a per pupil assessment that exceeds the per pupil assessments of the other participating units.
