

§796-A. Confidentiality of proprietary information

Any requirement established by this subchapter to file proprietary business information with the superintendent does not in and of itself make that information a public record. Information filed with the superintendent pursuant to this subchapter is entitled to any privileges and confidentiality protections that would apply if the special purpose reinsurance vehicle were a captive insurance company licensed by the superintendent pursuant to section 6702. [PL 2007, c. 386, §21 (NEW).]
