Except as otherwise provided in this chapter, all proceedings and records of proceedings concerning the quality assurance activities of an emergency medical services quality assurance committee approved by the board and all reports, information and records provided to the committee are confidential and may not be disclosed or obtained by discovery from the committee, the board or its staff. Quality assurance information may be disclosed to a licensee as part of any board-approved educational or corrective process. All complaints and investigative records of the board or any committee or subcommittee of the board are confidential during the pendency of an investigation and may not be disclosed by the committee, the board or its staff. A. A personal residence address, personal telephone number or personal e-mail address submitted to the board as part of any application under this chapter is confidential and may not be disclosed except as permitted under this section or as otherwise required by law unless the applicant who submitted the information indicated pursuant to section 90-B that the applicant is willing to have the applicant's personal residence address, personal telephone number or personal e-mail address treated as a public record. Personal health information submitted to the board as part of any application under this chapter is confidential and may not be disclosed except as otherwise permitted under this section or otherwise required by law.

The board and its committees and staff may disclose personal health information about and the personal residence address and personal telephone number of a licensee or an applicant for a license under this chapter to a government licensing or disciplinary authority or to a health care provider located within or outside this State that requests the information for the purposes of granting, limiting or denying a license or employment to the applicant or licensee. [PL 2011, c. 271, §19 (NEW).]

 - (7) To the person investigated on request of that person. The director may refuse to disclose part or all of any investigative information, including the fact of an investigation, when the director determines that disclosure would prejudice the investigation. The authority of the director to make such a determination may not be delegated. [PL 2011, c. 271, §19 (NEW).]
