

CHAPTER 221**OVERPAYMENTS, REFUNDS****§2011. Overpayment; refunds**

If the State Tax Assessor determines, upon written application by a taxpayer or during the course of an audit, that any tax under this Part has been paid more than once or has been erroneously or illegally collected or computed, the assessor shall certify to the State Controller the amount paid in excess of that legally due. That amount must be credited by the assessor on any taxes then due from the taxpayer and the balance refunded to the taxpayer or the taxpayer's successor in interest, but no such credit or refund may be allowed unless within 3 years from the date of overpayment either a written petition stating the grounds upon which the refund or credit is claimed is filed with the assessor or the overpayment is discovered on audit. Interest at the rate determined pursuant to section 186 must be paid on any balance refunded pursuant to this chapter from the date the return listing the overpayment was filed or the date the payment was made, whichever is later, except that no interest may be paid with respect to the refunds provided by section 2013 and, in cases of excessive or erroneous collections, interest must be paid in accordance with section 1814, subsection 3. At the election of the assessor, unless the taxpayer specifically requests a cash refund, the refund may be credited to the taxpayer's sales and use tax account, but, in the case of a credit no further interest may accrue from the date of that election. The taxpayer may not apply for a refund of any amount assessed when administrative and judicial review under section 151 has been completed. [PL 2005, c. 218, §29 (AMD).]

A taxpayer making an application for a refund or credit of erroneously or illegally collected sales tax paid by the taxpayer to the retailer must submit an affidavit as prescribed by the assessor stating in part that the refund or credit has not been and will not be requested from the retailer. [PL 2017, c. 257, §1 (NEW).]

A taxpayer dissatisfied with the decision of the assessor, upon a written request for refund filed under this section may request reconsideration and appeal from the reconsideration in the same manner and under the same conditions as in the case of assessments made under chapter 7. The decision of the assessor upon a written request for refund becomes final as to law and fact in the same manner and under the same conditions as in the case of assessments made under chapter 7. 3. Incorporation into real property. Incorporation into real property located in another taxing jurisdiction.

[PL 2015, c. 300, Pt. A, §27 (NEW).]

In order to be eligible for the refund, the tangible personal property on which sales tax was paid may not be used by the business prior to its withdrawal from inventory for any purpose other than storage or the fabrication, attachment or incorporation described in subsection 2. The business must also maintain inventory records by which the acquisition and disposition of such tangible personal property may be traced. A refund may not be made when the taxing jurisdiction to which the tangible personal property is removed levies a sales or use tax. Refunds under this section must be requested in accordance with section 2011. [PL 2015, c. 300, Pt. A, §27 (NEW).]

§2015. Rental vehicle excise tax reimbursement

1. Report. Annually, on or before September 1st, a vehicle owner or rental company engaged in the business of renting automobiles for a period of less than one year, in order to claim an excise tax reimbursement, shall file a report with the State Tax Assessor. The report must include the information required by the State Tax Assessor to determine the taxpayer's excise tax reimbursement entitlement. The State Tax Assessor may extend the September 1st filing deadline for a period not to exceed one year for good cause. [PL 1993, c. 701, §8 (NEW); PL 1993, c. 701, §10 (AFF).]

2. Reimbursement. The State Tax Assessor shall determine the reimbursement to be paid to a taxpayer filing a return pursuant to subsection 1. The reimbursement is the amount that is the smaller of:

A. The amount determined by computing the total excise tax credit entitlement during the most recently completed period from July 1st to June 30th for which a taxpayer has filed a return pursuant to subsection 1. An excise tax credit accrues for each vehicle excise tax paid in the prior completed period for which the associated Maine registration was surrendered prior to the expiration of the associated 12-month excise tax period, unless the excise tax was credited to another registration, in which case the 12-month period continues to run in association with the replacement registration. The amount of the credit is equal to the amount of the excise tax paid in order to register the original vehicle multiplied by a fraction, the numerator of which is the number of complete months short of 12 months during which the registration was surrendered and the denominator is 12; or [PL 1993, c. 701, §8 (NEW); PL 1993, c. 701, §10 (AFF).]

B. Three-tenths of the amount of tax paid to the State by the taxpayer resulting from the tax on the rental of automobiles for a period of less than one year during the most recently completed period from July 1st to June 30th. [PL 1993, c. 701, §8 (NEW); PL 1993, c. 701, §10 (AFF).]

3. Treasurer of State; notification. Upon the determination of the reimbursement amount to be paid to a vehicle owner or rental company, the State Tax Assessor shall inform the Treasurer of State of the determination and the Treasurer of State shall make the reimbursement. These reimbursements must be accounted for and paid as sales and use tax refunds. Unless the reimbursement is paid before November 1st of the year in which the report required in subsection 1 is filed or within 60 days of the filing of that report, whichever is later, interest at the rate provided in section 186 must be paid for the period of time that transpires after the deadline before payment is made.

[PL 2017, c. 440, §9 (AMD).]

B. If, by agreement between the contractor or subcontractor and the qualified Pine Tree Development Zone business, the contractor or subcontractor assigns its right to claim and receive reimbursement pursuant to subsection 2, paragraph A, the qualified Pine Tree Development Zone business must file a claim for reimbursement in accordance with this subsection. A reimbursement may not be issued to a qualified Pine Tree Development Zone business under this paragraph unless the contractor or subcontractor has previously submitted to the bureau a certificate, signed by the contractor or subcontractor, releasing the contractor's or subcontractor's claim to the reimbursement. If the assessor determines that the amount of the claimed reimbursement is incorrect, the assessor shall redetermine the claim and notify the claimant in writing of the redetermination. If the claimant has received reimbursement of an amount that the assessor concludes should not have been reimbursed, the assessor may issue an assessment for that amount within 3 years from the date the reimbursement claim was filed or at any time if a fraudulent reimbursement claim was filed. The claimant may seek reconsideration, pursuant to section 151, of the redetermination or assessment.
