No person or organization shall operate any type of motor vehicle racing within the State unless such person or organization has obtained a license therefor from the Commissioner of Public Safety. [PL 1973, c. 662, §2 (NEW).]

A license for the operation of motor vehicle racing may be issued by the commissioner to the person or organization applying for such license if the commissioner is satisfied that such person or organization has complied with all the provisions of this chapter and all the rules and regulations promulgated by the commissioner pursuant to section 562 and that such person or organization has furnished the commissioner, in an amount to be determined by him, a certificate of public liability insurance to cover the losses, damages or injuries that might ensue to persons or property by reason of the operation of motor vehicle racing. [PL 1973, c. 662, §2 (NEW).]

Any such license issued shall not be transferable or assignable. [PL 1973, c. 662, §2 (NEW).]

The Commissioner of Public Safety shall make, amend or rescind, after public hearing, notice of which has been duly advertised in the state paper, reasonable rules to be enforced with respect to the location, erection, construction and maintenance of grandstands, bleachers, stadiums, arenas, fences, safety barriers or other like structures intended primarily to support or protect spectators during any type of motor vehicle racing and with respect to public liability insurance coverage required by section 561. [PL 1997, c. 728, §4 (AMD).]

The Commissioner of Public Safety may waive the requirements of any rules to cover any special circumstances or conditions when the commissioner is satisfied that the special circumstances or conditions provide at least the same amount of safety to spectators at motor vehicle races that the rules, the waiver of which is requested, were intended to provide.
