

**STATE OF MAINE  
ONE HUNDRED AND NINETEENTH LEGISLATURE  
SECOND REGULAR SESSION  
JOURNAL OF THE SENATE**

In Senate Chamber  
Monday  
January 24, 2000

Senate called to order by President Mark W. Lawrence of York County.

Prayer by Reverend Edward Hatch of the Palermo Christian Church.

**REVEREND HATCH:** Before I pray, I'd just like to make a couple of remarks. For the past several years I've been working on improving my physical condition after a trip to the doctor in which my cholesterol level was shooting in an upwards direction. I decided to do something about it. What started out as a challenge to run the 5k, 2.1 mile, Palermo Days Race ended up becoming almost an obsession to run marathons. The more I ran, the more my weight dropped. The better I looked and the more energy I had for the task that I was doing. My greatest challenge has been to change my eating habits. A challenge I have not yet overcome. Our family loves to go to Millers Salad Bar in Bangor and recently visited there to take my daughter, who is at the University of Maine, out for a birthday feast. I could not believe the number of people who were eating salads when they could have had roast beef, fried chicken, chocolate pudding and ice cream. At least, those were the things that were on my plate. And that is the theme of my remarks. We cannot judge our effectiveness by the fullness of our plate but rather by those things that we put on our plate. I have great respect for this Body of people. Your responsibilities are many for they include not only conducting the work of the Senate but job responsibilities, commitment to your families and communities, as well as the need for personal renewal. Within the Christian community we express two priorities. The first priority is to seek the kingdom of God and his righteousness as found through Jesus Christ. The second priority is everything else. As God, through the Bible, speaks to us about our jobs, our families, our communities, we're taught to work out the commands of Jesus in the context of our everyday lives. But how can we identify our true priorities? Jesus gives us a simple way of answering that question. He says that where your treasure is, there your heart will be also. Miller's where my treasure was found on my plate. Our treasures are also found in our palm pilots or day timers. We may say that God or family is important but our schedules do not reveal that they are a treasure to us. Our treasure is found in our daydreams. Those burning issues that consume our thoughts are the things that really are important to us. Our treasures can also be found in our checkbook statements or on our credit card statements. We end up spending money on things that are important to us. It's like my brother tells me. He says all men are created equal, just some more equal than others. Everything that we do is important, just some more important than others. Our heart is found at the door of our treasures. If our heart does not line up with our treasure, than we have two choices. We can change our heart or we can change our treasure. We cannot serve God and money. A

double minded man is unstable in all his ways. I have found that the greatest peace comes to me when my treasure lines up with my life. When our lives reflect our priorities, assuming our ambitions are worthy and right, we find joy and fulfillment. And when our life ends, if it ends in old age or if it ends unexpectedly, we will be judged and people will be talking about the things that we truly treasure. Let's bow for prayer.

God, You are infinite in wisdom. You created all things for Your glory. You have delegated responsibility to us and have entrusted us with precious treasures. You gave us Your son Jesus. Many within this room are blessed with good parents, a loving spouse, beautiful children. The citizens of this State have asked them to represent them; both the rich and the poor; the men, women and children; the old timers and those from away who give them the wisdom to do the work to which they have been called. May their plate be filled with the right things. We pray in Jesus name. Amen.

Pledge of Allegiance led by Senator Beverly Daggett of Kennebec County.

Doctor of the day, Judy Chamberlain, M.D., Brunswick.

January 15, 2000

The Honorable Mark W. Lawrence  
President of the Senate  
Maine Senate  
State House Station 3  
Augusta, Maine 04333

Dear President Lawrence:

In accordance with Title 9-B MRSA §217, as amended, I am submitting to the members of the Maine House and Senate a report entitled "The Status of Maine's Financial Institutions."

Over the course of the past year, Maine financial institutions and credit union have displayed solid performance, based on key capital, earnings and asset quality indicators. Industry

consolidation continued to occur in Maine, although at a relatively moderate pace, as organizations sold branches and engaged in merger activities motivated by common goals of expanding market share and increasing efficiency. During this time, Maine institutions also continued to expand into closely-related activities such as insurance agency and securities business, taking advantage of broadened state authority to engage in those lines of business.

As we enter the new century, there will be new challenges and opportunities for the financial services industry. With the passage of federal financial modernization, or the Gramm-Leach-Bliley Act of 1999, several long-standing barriers between the various providers of financial services have been removed. One of the major affects of this Act was the repeal of the Glass-Steagall Act, which prohibited banks from affiliating with insurance and securities firms. It is expected that, as competition intensifies, Maine institutions will continue to seek ways to take advantage of the new opportunities provided under both state and federal law through development of expanded products and services and utilization of modern delivery systems capable of reaching a global marketplace.

The much advertised Y2K or Year 2000 issue – the ability of computers to handle reference dates beyond December 31, 1999 – which required a concerted effort and substantial commitment of human resources over the past several years, has passed its initial test. During the rollover period, 12/31/99 to 1/4/00, the regulators kept vigilant watch over the industry and only a few minor problems were reported in some parts of the country. Maine financial institutions and credit unions weathered the century date change with "business as usual". While it is still possible that Y2K disruptions will occur over the next few months, the experience of the rollover weekend clearly suggests that such disruptions, if any, will be minor, sporadic, and easily remedied.

Copies of this report have been distributed to the Secretary of the State Senate in order to provide one copy for each member of the Senate. The report will also be available in electronic format on the Maine Bureau of Banking's World Wide Web Home Page at <http://www.MaineBankingReg.org>.

Very truly yours,

S/Howard R. Gray, Jr.  
Superintendent

## ORDERS

### Joint Orders

Expressions of Legislative Sentiment recognizing:

Bruce Pulkkinen and Windham Millwork, Inc., of North Windham, for their valuable contribution to the renovation of the Senate Chamber. Each of the desks in the Chamber was crafted to very exacting design specifications in Windham Millwork's North Windham shop and installed by Windham Millwork's talented staff. We are proud that this fine example of Maine craftsmanship has become a permanent fixture in the Senate Chamber;

SLS 396

Sponsored by Senator KONTOS of Cumberland.  
Cosponsored by Representative BRUNO of Raymond,  
Representative TOBIN of Windham.

### READ.

**THE PRESIDENT:** The Chair recognizes the Senator from Cumberland, Senator Kontos.

Senator **KONTOS:** Thank you Mr. President. Men and women of the Senate, it's indeed an honor for me to help you meet some of the folks who are responsible for our beautiful desks. They are here in the Chamber, not all of them but some of them, and I need you to understand some of the process that they underwent in order for us to have these beautiful pieces of furniture to work from. They went back to the archives and looked at 1908 drawings and photographs in order to try to reproduce, and they've done a magnificent job as you can see, some of the fine craftsmanship that was available to the Senators almost a century ago. They've reproduced intricacies in both the Senate President's Rostrum and in the front of our desks that match some of the work that you see up around the ceilings. So when you have time, be thoughtful and think about the fine hands and the great hearts that went into the craftsmanship before us and join me in thanking them for their fine work and tell them how proud you are to know that not just Windham craftsmen, these are Maine craftsmen, who put this fabulous array of furniture together for our use. I know you'll join me in thanking them and I thank you Mr. President.

**THE PRESIDENT:** The Chair recognizes the Senator from Franklin, Senator Benoit.

Senator **BENOIT:** Thank you Mr. President. May it please the Senate, I'm not a bit surprised at the high quality of workmanship in these desks, the President's podium, and the other desks at which our clerks work. The reason I'm not surprised is that Walter Johnson, who at one time was a partner in the Windham Millworks, the company that did this work, is also a neighbor of mine on the Edelheid Road in Sandy River Plantation. When they came to the Plantation, they constructed a beautiful log home there. I have to admit that the value of my property shot up and my taxes as well. Still we remain friends despite that. But I'm very pleased to see the quality of work done by this firm and Mr. Johnson being a neighbor of mine adds a personal touch to it, Mr. President, and I'm happy he's here today to take part in these proceedings. Thank you.

### PASSED.

Sent down for concurrence.

**THE PRESIDENT:** The Chair is pleased to recognize in the rear of the Chamber the owner of Windham Millworks, Bruce Pulkkinen; Ron Kuusela, Vice President of Project Management and Project Manager of this job; Tim Nunn, estimator who developed costs and negotiated the contract; Dana Rowe, custom plant supervisor who coordinated the production; Ken Blake, custom plant team leader who built the member's desks; Steve Kehoe, installation supervisor of the State House project; Roger Varney, Executive Vice President and plant manger; and Walter Johnson, former owner and design work consultant on this project. The President would please ask them all to rise and receive the greetings of the Senate. The President will ask the Sergeant-At-Arms to escort the individuals from the Windham Millworks to the front of the Chamber where they may receive their Sentiment.

**PAPERS FROM THE HOUSE**

**Joint Resolution**

The following Joint Resolution: H.P. 1794

**JOINT RESOLUTION MEMORIALIZING THE PRESIDENT OF THE UNITED STATES, THE SECRETARY OF THE INTERIOR BRUCE BABBITT, THE SECRETARY OF COMMERCE WILLIAM DALEY AND THE CONGRESS OF THE UNITED STATES TO RECONSIDER THE METHOD TO PROTECT AND RESTORE THE ATLANTIC SALMON**

WE, your Memorialists, the Members of the One Hundred and Nineteenth Legislature of the State of Maine now assembled in the Second Regular Session, most respectfully present and petition the President of the United States, the Secretary of the Interior Bruce Babbitt, the Secretary of Commerce William Daley and the Congress of the United States as follows:

WHEREAS, the Federal Government, through the United States Fish and Wildlife Service and the National Marine Fisheries Service, has proposed to list the Atlantic salmon in 8 Maine rivers under the federal Endangered Species Act and has indicated a potential to include additional Maine rivers to the detriment of the agriculture, manufacturing, forest products and aquaculture industries of Maine on the basis of limited scientific evidence; and

WHEREAS, Maine is strongly committed to the restoration of the Atlantic salmon to its waters, as demonstrated through the development of a comprehensive and cooperative Salmon Conservation Plan, which was produced over the course of 3 years with input from federal officials, relevant state departments, local conservation groups, affected businesses, farmers and riverside residents; and

WHEREAS, since the area covered by these 8 rivers and other rivers that may be included in the listing in the future contains 1/3 of the human population of Maine and virtually all of the aquaculture industry, all of Maine will feel the impact of the naming of the Atlantic salmon to the Endangered Species List; and

WHEREAS, adding the Atlantic salmon to the Endangered Species List in order to help the return of the Atlantic salmon in significant numbers to Maine's waters compromises a promising partnership between Maine and the Federal Government, which has had a history of good faith; and

WHEREAS, there exist many significant threats to the Atlantic salmon that lie beyond the influence of Maine that also affect the prospects of long-term Atlantic salmon restoration to the rivers of Maine; and

WHEREAS, Maine is strongly committed to the restoration of the Atlantic salmon to its waters, has committed millions of dollars to its plan to produce this result and feels that the naming of the Atlantic salmon to the Endangered Species List is premature; now, therefore, be it

RESOLVED: That We, your Memorialists, respectfully urge and request that the President of the United States, the Secretary of the Interior Bruce Babbitt, the Secretary of Commerce William Daley and the Congress of the United States reconsider the intent to include the Atlantic salmon on the Endangered Species List as it would benefit neither the Atlantic salmon nor the people of Maine and allow Maine to continue to execute its own comprehensive plan to restore the Atlantic salmon to its waters; and be it further

RESOLVED: That suitable copies of this resolution, duly authenticated by the Secretary of State, be transmitted to the President of the United States, to the President of the United States Senate, to the Speaker of the House of Representatives of the United States, to the Secretary of the Interior Bruce Babbitt, to the Secretary of Commerce William Daley and to each Member of the Maine Congressional Delegation.

Comes from the House, **READ** and **ADOPTED**.

**READ** and **ADOPTED**, in concurrence.

On motion by Senator **RUHLIN** of Penobscot, **ADJOURNED**, pursuant to the Joint Order, until Tuesday, February 8, 2000, at 10:00 in the morning, in memory of and lasting tribute to the Honorable Alton E. Cianchette.
