

**STATE OF MAINE  
ONE HUNDRED AND TWENTIETH LEGISLATURE  
SECOND REGULAR SESSION  
JOURNAL OF THE SENATE**

In Senate Chamber  
Thursday  
March 14, 2002

Doctor of the day, Laurel Coleman, M.D. of Manchester.

Reading of the Journal of Wednesday, March 13, 2002.

Senate called to order by President Richard A. Bennett of Oxford County.

---

Prayer by Reverend Allison Smith, Winslow Congregational Church United Church of Christ in Belfast.

**REVEREND SMITH:** Good morning. Let us pray.

Gracious and loving God, we pause here at the beginning of this beautiful new day that You have made to put things into perspective. Our minds are full of agenda items, reports, meetings, schedules, family commitments, places we have to be, people we have to call, things we have to do. So slow us down, God. Help us in these moments, and indeed, throughout our day to listen for Your spirit, to remember that we are not the center of the universe, to be still and let Your still, small voice speak to us and lead us. To the one who pours forth blessings, we begin today with thanks for the blessings You share, which are innumerable as the rocks on a Maine seashore or mountain. To be alive, to breathe, to laugh. For family and friends who sustain us. For the astounding diversity and beauty of Your creation in this place we love that we call Maine. For enough to eat and even more to share. Oh giving and generous God, make us a people of gratitude who live from a place of thankfulness, ready to give and share as You have given and shared with us. As we go about our work today, oh compassionate God, help us remember Your love and care for those who are most vulnerable in our society; the poor, the unemployed, children and youth, the elderly, immigrants, those who are struggling, those without health care or education. May we make decisions with them in our minds and hearts. Society is our judge on many things; architecture, power, wealth, armies. May we be remembered for how we cared for the most vulnerable in our midst. Oh gracious God, we pray for the work before us and humbly ask Your blessing upon it. In spite of the differences we bring to the table, enable us to work together with humor, patience, and listening to one another with passion and commitment for the good of all. Give us courage to make difficult and perhaps unpopular decisions. Help us to stand up for what we believe is right. Give us patience and care for one another and persistence when the wheels grind slow. Give us wisdom to let go of ideas or ways of doing things that may not be helpful as well as energy and new vision for the challenges before us. God of our ancestors, of our present and of our future, we are here because of many people on whose shoulders we stand. We pray for those in our hearts today. For those in need of healing, comfort, discernment, and hope. We lift up these names to You silently, oh healer. We pray, indeed, for our world. For our sisters and brothers beyond Maine. For peace in the Middle East and for our own country, that we will act out of humility, wisdom, and peace. We remember, oh God who created us all, that we are tied together as Your children. Amen.

Off Record Remarks

---

Senator **FERGUSON** of Oxford was granted unanimous consent to address the Senate on the Record.

Senator **FERGUSON**: Thank you very much, Mr. President, ladies and gentlemen of the Senate. We are honored today to have with us the Dirigo High School Girls Basketball Team. They are the State of Maine Champions. They have won 8 consecutive Western Maine Championships and they have to their credit 6 State titles. It takes a lot of dedication and commitment to achieve this goal. I can say that I am very proud that they are here today so that we can honor them. I used to have a lot of fun with former Senator Cassidy. We'd bet a steak or some little thing like that. I can say that Senator Cassidy provided me with my supper more than I provided him with his. I thank the girls for that. I would like to say that they probably will be back next year and whoever follows me will have the honor for the 8 years, 2 years, or whatever tenure they have in the Senate. There is not a senior on the team. I'm about 6' and there a couple of them that are as tall as I am if not taller. We wish them well and appreciate their being here with their coach and staff today. Thank you very much.

Senator **WOODCOCK** of Franklin was granted unanimous consent to address the Senate on the Record.

Senator **WOODCOCK**: Thank you, Mr. President, men and women of the Senate. I, too, would like to add a brief congratulatory note to the good words from the Senator from Oxford, Senator Ferguson. One of the reasons I retired from coaching was because of Coach Kane's ability to prepare his team to the level to which he prepares them. Although they weren't in our class, we had the opportunity each year to

participate in Dirigo's Christmas tournament. They came very close to beating us. We were Class A champions for a couple of years. I felt as if, while he was running up his opportunities to create great basketball teams in Dixfield and the surrounding area, it was a good time for me to leave because, without any doubt, he has one of the finest programs in the State of Maine and is one of the very best coaches, for men or women, that has ever graced the sidelines in this state. I would like to congratulate Coach Kane and member of his team and only add to the good Senator from Oxford, Senator Ferguson's comments that they will probably be back that they will be back. Congratulations ladies on all your accomplishments. Thank you, Mr. President.

**THE PRESIDENT**: The Chair is pleased to recognize with us today in the chamber the Dirigo High School Girls Basketball Team and their coaches. They are the State of Maine Class C champions. Will they please rise and receive the greetings of the Senate.

S.P. 808

**JOINT RESOLUTION MEMORIALIZING THE PRESIDENT OF THE UNITED STATES AND THE CONGRESS OF THE UNITED STATES TO PROVIDE FULL ANNUAL OPERATING FUNDING FOR ACADIA NATIONAL PARK**

WE, your Memorialists, the Members of the One Hundred and Twentieth Legislature of the State of Maine now assembled in the Second Regular Session, most respectfully present and petition the President of the United States and the Congress of the United States, as follows:

WHEREAS, Acadia National Park is Maine's most visited natural destination, with approximately 3 million annual visits, and is one of the most heavily used parks in the National Park System; and

WHEREAS, Acadia National Park is among the most beautiful places in Maine and its Atlantic shore represents 25% of the Maine coastline that is available for public use and enjoyment; and

WHEREAS, Acadia National Park generates \$132,000,000 in direct economic benefits to the Mount Desert Island region and many additional millions of dollars in indirect benefits throughout Maine, making the park's 45,000 acres of land and easements among the most economically productive natural assets in the State; and

WHEREAS, Acadia National Park has conducted a rigorous financial analysis leading to a business plan that demonstrates an average operating annual budget that supplies only 47% of what is needed to operate the park in compliance with laws and regulations; and

WHEREAS, Acadia National Park's annual operating budget shortfall is the 3rd largest calculated to date in the 40 national parks that have undertaken business plans; and

WHEREAS, Acadia National Park's total annual operating budget need is approximately \$14,000,000, and additional millions of dollars are needed for anticipated park operations at Schoodic Point; and

WHEREAS, Acadia National Park has 121 full-time equivalent employees but needs 230 full-time equivalent employees to execute the park's mission in accordance with laws and regulations; now, therefore, be it

RESOLVED: That We, your Memorialists, respectfully urge the President of the United States and the Congress of the United States to increase the annual budget of Acadia National Park to amounts that will meet the park's full operational needs, including the needs of Schoodic Point; and be it further

RESOLVED: That suitable copies of this resolution, duly authenticated by the Secretary of State, be transmitted to the President of the United States, the President of the Senate of the United States, the Speaker of the House of Representatives of the United States and to each Member of the Maine Congressional Delegation.

Senator **SHOREY:** Thank you, Mr. President, men and women of the Senate. This is a bill that I originally opposed because it lacked certain ingredients. I think this amendment really takes care of that. What the amendment does is change the Oil and Solid Fuel Board membership by adding a 7<sup>th</sup> member that will include the Service Managers Association from the northern and southern part of the state. This board will also create a limited license for the manufactured housing mechanics. It will give them a limited license to install outside heating oil tanks on certain manufactured housing units. What it will also do is require, and this is probably the most important part, at least 4 hours of training from an approved course for the proper installation of the

outside home heating oil tanks. I would urge your support on this.  
Thank you.
