

**STATE OF MAINE  
ONE HUNDRED AND NINETEENTH LEGISLATURE  
FIRST REGULAR SESSION  
JOURNAL OF THE SENATE**

In Senate Chamber  
Monday  
April 5, 1999

Senate called to order by President Mark W. Lawrence of York County.

Prayer by Reverend Kathy Merrick of the Lovell United Church of Christ in Lovell.

**REVEREND MERRICK:** Let us pray. Gracious God, You have created each of us here to be unique. You have gifted us with different interests and skills so that each person in this room can bring something that is needed to the Senate Chamber. We each carry our special interests and our prejudices within us, tempered by the experiences of our individual histories. We also carry with us the memory of our successes and our failures, both personal and public. As we debate the issues that impact the lives of Mainers throughout our state, may we not forget those who sent us here. Help us to put aside partisan wrangling and keep before our faces the needs of the people and not simply our own political party. May the gifts You have given us and the gift of ourselves, our laughter, our tears, our anger and our joy, be used in this place to make a difference. Amen.

Pledge of Allegiance led by Senator Paul Davis of Piscataquis County.

Doctor of the day, John Saucier, M.D., Yarmouth.

**Joint Resolution**

On motion by Senator PINGREE of Knox, under unanimous consent on behalf of President LAWRENCE of York (Cosponsored by Representative NORBERT of Portland and Senator KILKELLY of Lincoln, Senator RAND of Cumberland), the following Joint Resolution:

S.P. 753

**JOINT RESOLUTION RECOGNIZING  
PARKINSON'S DISEASE AWARENESS MONTH**

WHEREAS, Parkinson's disease, or paralysis agitans, is a brain disorder that usually affects adults over 40 years of age, although it can occur in any of 3 forms: late life Parkinson's disease, young onset Parkinson's disease, which affects adults under 40 years of age, and juvenile Parkinson's disease; and

WHEREAS, Parkinson's disease is a devastating, painful and incurable brain disorder of unknown origin that disrupts and may end the lives of those who suffer from the disease, as well as overwhelming the lives of their families and friends; and

WHEREAS, more individuals suffer from Parkinson's disease than multiple sclerosis, muscular dystrophy and Lou Gehrig's disease combined; and

WHEREAS, Parkinson's disease often takes an enormous emotional, psychological and physical toll on the families and friends surrounding their suffering loved ones; and

WHEREAS, Parkinson's disease appears eventually in approximately one of 4 persons older than 80 years of age and in one of 10 persons older than 60 years of age, touching the lives of at least one of every 10 families in the State; and

WHEREAS, according to the American Parkinson Disease Association there are approximately 1,500,000 people in the United States diagnosed with Parkinson's disease, of which an estimated 7,000 or more are in the State of Maine; and

WHEREAS, the symptoms of Parkinson's disease, which are tremors, slowness of movement, shuffling gait, difficulty with balance, malfunction of vocal cords, intestinal difficulties and emotional changes, are often mistaken as a normal part of the aging process; and

WHEREAS, the cause of Parkinson's disease is due to a loss of cell function deep within the brain, and the reasons for this loss are unknown. Medications can only control some of the symptoms of Parkinson's disease for uncertain periods of time; and

WHEREAS, there is a great need for further training and education in the health care and legal professions to protect the rights of persons with Parkinson's disease; and

WHEREAS, full implementation of federal law, the Morris K. Udall Parkinson's Disease Research Act of 1997, which, starting with the current fiscal year, directs the National Institutes of Health to spend up to \$100,000,000 annually on Parkinson's disease research, is critical; and

WHEREAS, April 11th has been proclaimed to be World Parkinson's Day, a day for all to recognize the need for more research and help in dealing with the devastating effects of Parkinson's disease; and

WHEREAS, increased education and research are needed to help find more effective treatments and ultimately to find a cure

for Parkinson's disease and to provide more effective support programs and services to Parkinson's disease patients and their caregivers and families; and

WHEREAS, the leading public officials of the State and leading officials in the State's medical community are now called upon to aid in reversing the invisibility and voicelessness of its citizens suffering from Parkinson's disease; now, therefore, be it

RESOLVED: That We, the Members of the One Hundred and Nineteenth Legislature, now assembled in the First Regular Session, recognize the month of April as Parkinson's Disease Awareness Month throughout the State; and be it further

RESOLVED: That suitable copies of this resolution, duly authenticated by the Secretary of State, be transmitted to the Maine Parkinson Society and the American Parkinson Disease Association, Maine State Chapter.

**READ and ADOPTED.**

**ORDERS OF THE DAY**

**Unfinished Business**

The following matters in the consideration of which the Senate was engaged at the time of Adjournment had preference in the Orders of the Day and continued with such preference until disposed of as provided by Senate Rule 516.

The Chair laid before the Senate the following Tabled and Later (3/2/99) Assigned matter:

Resolve, to Transfer the Functions and Responsibilities of the Maine Turnpike Authority to the Department of Transportation  
S.P. 538 L.D. 1600

Tabled - March 2, 1999, by Senator **PINGREE** of Knox.

Pending - **REFERENCE**

(Committee on **TRANSPORTATION** suggested and ordered printed.)

**THE PRESIDENT PRO TEM:** The Chair recognizes the Senator from Oxford, Senator Bennett.

Senator **BENNETT:** Thank you Madam President. I move the Indefinite Postponement of this Bill and wish to speak briefly to my motion. Men and women of the Senate, this Bill is L.D. 1600 which I'm the prime Sponsor on. There's a couple of other members of this Body who have Cosponsored this Bill. What this Bill would do essentially would be to have the State Department of Transportation work over the next year to look at ways to integrate

costs effectively with the Maine Turnpike Authority essentially merging their principal functions. I'm now moving that this Bill be killed notwithstanding my support for the idea of finding additional cost synergy between these two authorities. The DOT regulates about 8,300 miles of road in this state, the MTA regulates about 100 miles of road. I think there is some obvious synergy which could be realized but I'm happy to report today that the Maine Turnpike Authority and the Department of Transportation have signed an agreement to look over the balance of this year at ways that they can achieve some cost synergy and begin to address the questions of redundancy and duplication between the two bodies. I think this is a step in the right direction. I'm happy to see it being done and for that reason, I today am happy to Indefinitely Postpone this Bill. Thank you.

On motion by Senator **BENNETT** of Oxford, Resolve and Accompanying Papers **INDEFINITELY POSTPONED**.

Sent down for concurrence.
