ORDERS

Joint Resolution

Joint Resolution in Memoriam:

WHEREAS, the Legislature has learned with deep regret of the death of:

David E. Remington, of Acton, a longtime firefighter who lost his life in the line of duty on January 3, 2011, when responding to an emergency call. Mr. Remington served with the Portland Fire Department for 10 years and was a dedicated volunteer with the Shapleigh Fire Department for the last 4 years. He was born in Portland and lived for many years in South Portland before moving to Acton in 2003. He will be sadly missed and long remembered by his loving family, his colleagues and his many friends. We acknowledge the ultimate sacrifice he made while serving in what he called the Brotherhood of Brothers

THE PRESIDENT: The Chair recognizes the Senator from York, Senator Collins.

Senator **COLLINS:** Thank you Mr. President. Ladies and gentlemen of the Senate, I didn't know David Remington but I know of his profession. Whether a full time paid fireman or a volunteer their profession is a dangerous one. Sometimes we

take for granted the men and women who serve us in our communities. They risk their lives every time they respond to an emergency. Such was the case with David Remington. He was responding to an emergency in his community and was involved in an automobile accident and perished in his attempt to do his job. My condolences to the Remington family and thank you for your kind attention.

THE PRESIDENT: The Chair recognizes the Senator from York, Senator Sullivan.

Senator **SULLIVAN:** Thank you Mr. President. Men and women of the Senate, I give thanks for the Senator from York, Senator Collins, for putting this sentiment in. In particular, like in many of our districts, Maine is a very rural state. Yes, even parts of York County are very rural. Without our volunteer firemen we would not have the safety for our citizens. This man not only was a volunteer but also had given his career to the Portland Firefighters and upon retiring had continued the call of answering those calls during the day and evening when people are working. The rural communities, like Shapleigh, do not have a full time fire department. It's always sad to see somebody lose their life in the line of duty but sadder to lose it as a volunteer that keeps the very fabric of our communities safe. Again, I thank the Senator from York, Senator Collins, and hope that we all take the time to remember our volunteers who are in the line of protecting us. Thank you Mr. President.

ADOPTED.

Sent down for concurrence.
