FIRST REGULAR SESSION
JOURNAL OF THE SENATE**

In Senate Chamber
Thursday
February 2, 2023

Senate called to order by President Troy D. Jackson of Aroostook County.

Prayer by Pastor Chris Grimбилas of New Life Baptist Church in Jay.

PASTOR GRIMBILAS: It is a great privilege to be here and I appreciate the honor. Thank you to Senator Keim for inviting me. Let's pray.

Father, we're so thankful for You and we're so thankful for this Body, this group, who have dedicated their time and their energies to the governance of the great state of Maine. Lord, we pray that You will give each one wisdom in their committee assignments and regarding the work that they do on behalf of the constituents and on behalf of the state of Maine. We pray that You give them the words to say, that they might be influential in making their points and, Lord, we pray that they would work together for the greater good of our state. We're thankful for each one here. We pray You bless this session of the Senate in a great and mighty way. In Jesus' name. Amen.

Pledge of Allegiance led by Senator Stacy F. Brenner of Cumberland County.

**JOINT RESOLUTION
RECOGNIZING THE MONTH OF JANUARY 2023

WHEREAS, human trafficking violates basic human rights, denies victims their personal freedom and knows no geographical boundaries; and

WHEREAS, traffickers target children and adults of all genders, both United States citizens and foreign nationals, isolate them from society and exploit them for personal and monetary gain; and

WHEREAS, victims of human trafficking suffer severe emotional, psychological and physical damage at the hands of their traffickers, who instill fear in their victims in order to keep them enslaved, resulting in complex post-traumatic stress disorder and increased rates of disease, drug addiction and other lifelong effects of trauma, and these experiences may require years of specialized health care and mental health services as part of a victim's recovery; and

WHEREAS, human trafficking is recognized as one of the fastest-growing criminal enterprises in the world, and the International Labour Organization estimates annual profits of \$75,000,000,000 from forced labor internationally; and

WHEREAS, Survivor Speak USA is a Maine-based, survivor-led organization working to end sex trafficking and sexual exploitation through centering the experiences, healing, voices and leadership of survivors; and

Dear President Jackson and Speaker Talbot Ross:

I am honored to accept your invitation to deliver the State of the Budget Address before a Joint Convention of the Legislature on Tuesday, February 14, 2023 at 7:00 p.m.

From expanding health care, to strengthening our economy, to making education more affordable and accessible, we have made real and meaningful progress for Maine people, but there is more to do.

I strongly believe that if we want to build a stronger, more prosperous state where opportunity is available to all, then we must invest in our greatest asset: the people of Maine. That's what my budget proposal does. It proposes crucial investments in housing, child care, health care, education, and transportation infrastructure that will help us tackle the challenges we face and chart a course for success in the years to come.

I look forward to addressing the Legislature and to working closely with you to enact a budget that will improve the lives and livelihoods of Maine people.

Re: *An Act to Implement the Recommendations of the Office of Program Evaluation and Government Accountability and the Government Oversight Committee Regarding Quasi-Independent State Entities*

Dear Senate President Jackson,

Enclosed are the reports required under 5 M.R.S.A. §12023, due February 1, 2023. The reports include: a list of all procurements in 2022 exceeding \$10,000 for which competitive procurement was waived; a list of contributions made in 2022 that exceed \$1,000. Section 12023(2c) requires a description of changes to the written policies and procedures required by Section 12022. There were no changes to the policies and procedures required by this section in 2022, therefore, there is nothing to report.

In 2022, the Maine Turnpike Authority made over \$122 million in payments to approximately 700 vendors. The vast majority of these payments, approximately \$110 million, were for competitively bid products or services or were legally or legislatively required. The Authority sole-sourced approximately \$13.5 million in 2022. Most of these products or services were either proprietary in nature or were procured under long-term contracts. As these long-term contracts expire, the Authority will seek competitive bids.

Respectfully,

S/Peter Mills
Executive Director

Dear President Jackson and Speaker Talbot Ross:

Pursuant to 5 M.R.S.A., Section 12023, please consider this the letter of transmittal for the required report due by Feb. 1, 2023 from the University of Maine System (UMS) documenting our qualifying FY22 sole-source procurements and contributions.

UMS has an estimated \$1.5 billion annual total statewide economic impact, a \$7.50 return for every dollar of State appropriation, and supports nearly 20,000 campus and community jobs. In addition to student and visitor local spending of an estimated \$144 million annually, our System positively impacts the Maine economy by purchasing goods and services – \$86.7 million in FY22 alone – from Maine businesses or those that employ many Mainers.

As it conducts business, UMS is committed to ensuring the greatest value for tuition and taxpayers, and transparency and fairness for our vendors. While competitive procurement is our standard, there are legitimate and well-defined reasons allowed by State law and corresponding UMS policy for which the purchases listed in this report were waived from this process. For example, given its world-class research, economic development and commercialization activities that are of vital importance to our state and beyond, the R1 University of Maine has unique procurement needs, including for specialized equipment or services that may only be available from one vendor. We have sought to provide that importance context within this FY22 report, which reflects a 23% reduction from FY21 in the total value of System procurements for which the competitive process was waived.

If you need any additional information, please contact UMS Director of Government Relations Samantha Warren in my office at samantha.warren@maine.edu. Thank you for your ongoing interest and support of Maine’s public universities.

THE PRESIDENT: The Chair recognizes the Senator from York, Senator Bailey.

Senator **BAILEY:** Mr. President, men and women of the Senate, today I'm happy to welcome Nolan Watson of Saco and his family to the Senate Chamber. Nolan is a kindergartener at Young School in Saco and last November Nolan woke his family when he discovered that their house was on fire. To reward Nolan's heroic action, the Saco Fire Department presented a Lifesaving Award to Nolan. He also received a Buzz Lightyear toy which replaced the one that was lost in the fire. Nolan's decisive, quick action sets an excellent example for all of us. His story is also a reminder that heroes come in all shapes and sizes and that any of us can become a hero on any given day. Thank you, Nolan, for setting such a great example for your classmates and your peers. I am proud to have presented you with a Legislative Sentiment that we went over this morning, to you, and recognize you for

your bravery and your courage. Finally, I'd like to thank Lieutenant Karl Finley who helped arrange the Watson Family's visit to the State House today. The Maine State Legislature joins the Saco Fire Department in celebrating this special young man. Thank you, Mr. President.

THE PRESIDENT: The Chair would ask if the Sergeant at Arms might be able to walk Mr. Nolan down to the Well of the Senate so that all the Senators could see this great young man and his courage and bravery. The Chair is very pleased to recognize in the rear of the Chamber, obviously, Mr. Nolan Watson and his family: Jen, his Mom; Josh, his Dad. His joined with this two sisters, Natalie and Norah. They're all from Saco and they are the guests today of the Senator of York, Senator Bailey, and obviously a great message, understanding, for all of us. Would they please rise and accept the greetings of the Maine State Senate.

ORDERS OF THE DAY

Unfinished Business

The following matters in the consideration of which the Senate was engaged at the time of Adjournment had preference in the Orders of the Day and continued with such preference until disposed of as provided by Senate Rule 516.

The Chair laid before the Senate the following Tabled and Later Assigned (1/31/23) matter:

JOINT RESOLUTION - Recognizing April 18, 2023 as World Amateur Radio Day

S.P. 98

Tabled - January 31, 2023 by Senator **MOORE** of Washington

Pending - **ADOPTION**

(In Senate, January 31, 2023, **READ**.)

The Joint Resolution was **READ**.

THE PRESIDENT: The Chair recognizes the Senator from Washington, Senator Moore.

Senator **MOORE:** Thank you, Mr. President. I rise just briefly to mention how proud I am to be able to submit this Joint Resolution on behalf of the Ham Radio Operators throughout the state of Maine. They are unsung heroes. They come out in times of bad weather and in times of distress among the communities, as well as being involved in the communities, and it's very, very rewarding to actually see all of their work and what they do. I believe they were last recognized in the Senate, I believe, in 2018, that was when Senator Bellows actually submitted the Resolution. I do want to share just a short story. I'll tell my story of just the way that they work and they operate. My first husband was in Boot Camp in San Diego. I was 18 years old and I get this phone call from a gentleman that identifies himself as a ham radio operator and he was just passing a message on to me, to let me know that my husband was doing fine, that he was surviving Boot

Camp, and that I did not need to worry about him. So, I always appreciated that call. It still gives me goosebumps today and that was many years ago that that happened. So, thank you very much, Mr. President, in honoring our ham radio operators today.

The Joint Resolution was **ADOPTED**.

Sent down for concurrence.

THE PRESIDENT: The Chair is pleased to recognize in the rear of the Chamber Philip Duggan, Brenda Duggin, Brandi Bolen, Michelle Mann, Bill Mann, Cory Golob, and Jose Douglas. They're from the Counties of Washington, Lincoln, Androscoggin, and Kennebec. They're all the guests today of the Senator from Washington, Senator Moore, and the entire Maine Legislature. Would they please all rise and accept the greetings of the Maine Senate.

The Chair laid before the Senate the following Tabled and Later Assigned (1/31/23) matter:

Senate at Ease.

The Senate was called to order by the President.

Off Record Remarks

THE PRESIDENT: The Chair recognizes the Senator from York, Senator Ingwersen.

Senator **INGWERSEN:** Thank you, Mr. Speaker. I rise today to help present a sentiment to a friend and colleague of mine, and also Senator Deschambault's as well. I'd like to congratulate here today Patricia Boston of Biddeford who was named winner of the Sister Consuela White Award for clinical and professional excellence by American Nurse's Association of Maine at their annual meeting in Bath. The annual awards presentation recognized Pat for the compassionate leadership she has demonstrated throughout her nursing career. As a

compassionate nursing leader, her nursing colleagues frequently hear Pat express her pride in being a nurse. Pat's career includes a spectrum of practice areas as a clinical nurse and a community leader. While she was a President of ANA-Maine she demonstrated the spirit of nursing consistent with the vision exemplified by Sister Consuela White, who was the founding force behind supporting high academic educational standards for all nurses. Most recently Pat Boston led a group of nurses to support the Maine Emergency Management vaccine clinics conducted throughout the COVID pandemic in our own York County. As a friend of Pat's, I can tell you personally that she worked tirelessly at the clinics over the last two years to administer COVID vaccinations. She is truly one of the hidden, silent jewels during this emergency. To quite ANA-Maine President Juliana L'Heureux, 'Patricia is a friend and mentor to all of us who knew her and she's an exceptional role model for nurses because of her professional demeanor, said L'Heureux. 'Her intuitive vision is inspirational to those of us who are providing compassionate and quality nursing care and ethical leadership to our patients and to each other.'

Finally, Pat has been long involved in her Biddeford community. She is a former Biddeford City Councilor and currently serves on the McArthur Public Library's board in Biddeford. She was a member of the Biddeford School Committee from 2005 to 2007. She was on the Biddeford City Council from 2007 to 2011. She was a member of the City Ad Hoc Committees on Community Center, City Theater Planning Oversight, the East Biddeford Fire and EMS Substation which she currently is still on. She is American Nurses Association. She was the Director from 2012 to 2017, as well as being the President from 2015 to 2017. She's a Medical Reserve Corps volunteer from 2017 to present. She's on the Hills Beach Association Board for 20 years, President from 2013 to 2020 and Secretary for many years. She's on the St. Andre's Home Board from 2010 to 2011; the Heart of Biddeford Advisory Council from 2008 to 2011; a member of the York County Democratic Committee; a member of the Biddeford Democratic Committee; and Delegate to the State Democratic Convention.

Pat, I just want to express my sincere congratulations to you and glad you're here. Thank you.

THE PRESIDENT: The Chair is pleased to recognize in the rear of the Chamber Pat Boston and her husband, Denis Boston. They are here today with their son, Tim. Would they please rise and accept the greetings and congratulation of the Maine Senate.
