

**STATE OF MAINE  
ONE HUNDRED AND TWENTY-FIFTH LEGISLATURE  
SECOND REGULAR SESSION  
JOURNAL OF THE SENATE**

In Senate Chamber  
Monday  
March 26, 2012

Senate called to order by President Kevin L. Raye of Washington County.

Prayer by Pastor Neil Gastonguay of Bath United Methodist Church in Bath.

**PASTOR GASTONGUAY:** Let us pray. Oh wise and empowering God, we stand before You today knowing that in taking a place in the Senate of Maine we have accepted Your call to serve the people of our state. You have blessed us with a home of great natural beauty, a hard working populace committed to their families and communities, a wealth of natural and human resources, and You have inspired in us a drive to work for the betterment of all our people. We give You thanks for the abundant generosity which has given us such a wonderful place to call home. Yet, even as we benefit from Your goodness, we are all too aware that there is much that needs our attention and action. While our many businesses provide thousands of good jobs, many folks struggle to find work. Many in our state are hard pressed to meet even their most basic needs; adequate nutrition, decent housing, or effective health care. Food pantries, homeless shelters, and hospital emergency rooms are experiencing increasing usage as Your people seek ways to care for their families. You have given it to Body, O God, to work to address these and a host of other problems and opportunities. The task seems daunting, yet You promised that You will never forsake or abandon us. In such days of high risk and high possibilities, we feel all the more strongly the need to call upon Your presence and power for the work that is to be done. Pour out Your spirit upon the members of the Senate this day, God of wisdom and love. Grant to the women and men here that You will guide their work. Let all their deliberations be done with a strong sense of purpose, with respect for one another, and with compassion for those in our state who are in need of support to have good and productive lives. Be among them, to lead them to wise and right decisions for the good of all people. Here in this Chamber and in all places, we call upon Your grace to move us to a unity, prosperity, and compassion throughout our state of Maine. In thanksgiving for all the ways in which You reveal Your presence to us, I offer this pray in the name of Jesus Christ. Amen.

Pledge of Allegiance led by Senator Earle L. McCormick of Kennebec County.

Reading of the Journal of Friday, March 23, 2012.

Doctor of the day, David McDermott, MD of Dover-Foxcroft.

**THE PRESIDENT PRO TEM:** The Chair recognizes the Senator from Cumberland, Senator Brannigan.

Senator **BRANNIGAN:** Thank you Mr. President. Men and women of the Senate, I just didn't want to let this go by without a word about Dr. Pratt. Dr. Pratt in Fairfield. When I was stationed there he was not a member of our parish, but his wife and his 9 children all were. He was a wonderful man who had a major impact on my life. I had smoked. I was 37. I smoked for 20 years. I had a sore throat and I knew if I went to my doctor, who smoked like a chimney, I wouldn't get a totally unbiased opinion. I went to Dr. Pratt and he said, "It's just a preacher's sore throat, but two years from now I might not be able to say that. You ought to quit." Well I really wanted to quit but it is very hard to quit. Anybody here who hasn't started smoking, man don't. It is very hard to quit. He didn't think I could. He had me come back week after week and he'd give me a lollypop. He couldn't believe I quit. Now I fell back a few times with cigars, but I quit. Thank God I don't have to hover outside somewhere to get a smoke. I am so

pleased that Dr. Pratt did that. He's had a long and wonderful life. I'm glad we're honoring him today. Thank you, Mr. President.

**THE PRESIDENT PRO TEM:** The Chair recognizes the Senator from Waldo, Senator Thibodeau.

Senator **THIBODEAU:** Thank you Mr. President. Ladies and gentlemen of the Senate, when you go home after we adjourn the 125<sup>th</sup> Maine Legislature you are going to be asked, "What did you do on behalf of the people of the state of Maine?" I hope that when you answer that question you will refer to L.D. 1644. As you know, Mr. President, the good Senator, the junior Senator, from Kennebec brought this bill forward to the Energy, Utilities and Technology Committee. It is an important piece of legislation. What this bill does is allow the Finance Authority of Maine to go out and secure funding to finance the expansion of natural gas in the state of Maine. That's a very important thing that needs to happen. As the state of Maine tries to compete with other states throughout the nation and, quite frankly, around the world, the cost of energy is an important aspect of that competition. This simply allows the Finance Authority of Maine to get involved and be involved in that process. I want to emphasize here that the passage of this legislation doesn't create any sort of indication or support of any specific project, but it simply supports the concept of recognizing the importance of that infrastructure. The Finance Authority of Maine still has the same responsibility. Any of these projects that come forward, the Finance Authority of Maine has the responsibility of review them and going through a very rigorous process of making sure that they meet the high standards that the Finance Authority currently uses. Again, I want to encourage you to support this important piece of legislation and then go back home and tell the people of the state of Maine that we are doing good work here in Augusta. Thank you.

On motion by Senator **THIBODEAU** of Waldo, the Majority **OUGHT TO PASS AS AMENDED BY COMMITTEE AMENDMENT "A" (S-461)** Report **ACCEPTED.**

**READ ONCE.**

Committee Amendment "A" (S-461) **READ** and **ADOPTED.**

Under suspension of the Rules, **READ A SECOND TIME** and **PASSED TO BE ENGROSSED AS AMENDED.**

Ordered sent down forthwith for concurrence.
