

**STATE OF MAINE
ONE HUNDRED AND TWENTY-EIGHTH LEGISLATURE
FIRST REGULAR SESSION
JOURNAL OF THE SENATE**

Off Record Remarks

In Senate Chamber
Tuesday
March 7, 2017

Senate called to order by President Michael D. Thibodeau of
Waldo County.

Prayer by Pastor Brian Kline, Lighthouse Baptist Church in
Farmingdale.

PASTOR KLINE: Let us pray. Lord, God of all creation, I thank
You very much that You are a God that hears prayer, that You
answer prayer. Father, we praise You this morning, that we can
come to You, and that we have the liberty to pray before the
opening of the Senate. Father, we praise You for the weather
that we've had recently. Lord, today's a little bit mixed
precipitation. We thank You for the safety that You've given us to
get here this morning. We pray even now for those that might still
be traveling. We thank You for the warming temperatures and
the lengthening days. We certainly thank You for Your promise,
Lord, that springtime always follows the winter, and we're
certainly looking forward to the spring. Father, I praise You for
our Representatives and our Senators here in the great State of
Maine and for these Senators here this morning in this Chamber.
Lord, we thank You for their service. We thank You for the effort
that they put forth everyday on behalf of all the folks in Maine and
we pray on their behalf, Lord, that You would grant wisdom and
insight, that You would grant strength in a day that is sometimes
tedious and long. We pray, Lord, that You would grant above
strength, that You would give them encouragement, Lord, and
even joy, and that You would grant them the wisdom to discern
some of the very difficult questions before them this morning.
Father, we praise You also for the opportunity in our great nation
to be represented by people such as this, that volunteer, that run,
and that serve, Lord, in often thankless tasks. Father, again, we
praise You for the opportunity to pray for You. We praise You for
the opportunity and the liberty that we have to pray, and we
praise You for Your son and our savior, Jesus Christ. So in his
name we pray. Amen.

Pledge of Allegiance led by Senator Mark N. Dion of Cumberland
County.

S.P. 294

**STATE OF MAINE
128TH MAINE LEGISLATURE**

WHEREAS, historically, Maine has been world-renowned for its hard-working people, its enviable quality of life and its production of high-quality products; and

WHEREAS, for generations, citizens of the State had jobs in industries such as logging, shipbuilding, papermaking, textiles, manufacturing, farming and fishing that allowed workers to live and raise families in the State; and

WHEREAS, jobs that supported a thriving Maine economy were responsible for decades of growth in many of our communities in the State, but over the years, jobs that provided living wages, benefits and job security became harder and harder to find; and **WHEREAS**, as the prospects for well-paying jobs diminished in the rapidly changing world economy, so too did Maine's ability to retain its young people, who increasingly sought opportunities elsewhere, contributing to Maine's looming demographic crisis; and

WHEREAS, a prosperous Maine economy will require skilled workers capable of succeeding in the modern economy as well as innovative investments that will help Maine businesses grow and thrive; and

WHEREAS, it is essential that the Legislature work with the State's businesses, education community and workforce, as well as with policy experts, to develop and implement measures to strengthen the State's economy, bring back jobs and young people and expand the middle class; and

WHEREAS, the members of the Joint Select Committee on Maine's Workforce and Economic Future in the 126th Legislature worked together in a bipartisan manner with input from experts throughout the State to unanimously support legislation to help move Maine toward stronger economic growth and to prepare Maine's workers and businesses to compete in the global marketplace; now, therefore, be it

ORDERED, the House concurring, that, notwithstanding Joint Rule 353, the Task Force on Maine's 21st Century Economy and Workforce, referred to in this order as "the task force," is established as follows.

The President of the Senate and the Speaker of the House of Representatives shall invite to participate as members of the task force the Commissioner of Education, or the commissioner's designee, and the Commissioner of Labor, or the commissioner's designee.

2. Chairs. The first-named Senator is the Senate chair of the task force and the first-named member of the House of Representatives is the House chair of the task force. Notwithstanding Joint Rule 353, the chairs may appoint, as nonvoting members, individuals who represent the interests of those sectors of industry that have experienced significant workforce shortages. Any additional members appointed pursuant to this section are not entitled to compensation or reimbursement under section 5.

3. Appointments; convening. All appointments must be made no later than 15 days following passage of this order. The appointing authorities shall notify the Executive Director of the Legislative Council once all appointments have been made. When the appointment of all members has been completed, the chairs of the task force shall call and convene the first meeting of the task force. If 15 days or more after the passage of this order a majority of but not all appointments have been made, the chairs may request authority and the Legislative Council may grant authority for the task force to meet and conduct its business.

4. Duties. The task force shall review ways to strengthen the State's economy, improve the State's business climate and facilitate economic growth in the State, including strategies to make targeted and strategic investments in the State's workforce and businesses; to expand partnerships among the State's workers, educators and businesses to specifically address workforce needs and worker training; to develop strategies for attracting, retaining and training Maine workers in sectors of industry most acutely affected by workforce shortage, as identified in priority order by the Maine Department of Labor, including health care, government, retail trade, professional and business services and the hospitality industry; and to help improve the ability of small businesses to innovate and expand.

5. Compensation. The legislative members of the task force are entitled to receive the legislative per diem, as defined in the Maine Revised Statutes, Title 3, section 2, and reimbursement for travel and other necessary expenses related to their attendance at authorized meetings of the task force. Public members not otherwise compensated by their employers or other entities that they represent are entitled to receive reimbursement of necessary expenses and, upon a demonstration of financial hardship, a per diem equal to the legislative per diem for their attendance at authorized meetings of the task force.

6. Quorum. A quorum is a majority of the voting members of the task force, including those members invited to participate who have accepted the invitation to participate.

7. Staffing. The Legislative Council shall contract for necessary staff support for the task force during the legislative session and may contract for such staff support for a longer period to the extent needed and if sufficient funding is available. At the request of the task force, the Legislative Council may provide drafting assistance to the task force during the legislative session and other staffing support to the task force when the Legislature is not in session.

8. Reports. The task force may submit an initial report, including suggested legislation, prior to the adjournment of the First Regular Session of the 128th Legislature. No later than March 1, 2018, the task force shall submit a final report that includes its findings and recommendations, including suggested legislation, for introduction to the Second Regular Session of the 128th Legislature.

THE PRESIDENT: The Chair recognizes the Senator from Kennebec, Senator Bellows.

Senator **BELLOWES:** Thank you, Mr. President. Ladies and gentlemen of the Senate, I'm so pleased that Debra MacInnes of Pittston could be with us here today, with her daughter, Cheyenne, and her colleague, Deborah Barry. Debra MacInnes is the Administrative Secretary for the Select Board in the Town of Pittston. She is the Secretary to the Planning Board and the Administrator of the General Assistance. Our local town officials do so much to make our communities run and sometimes going above and beyond, and Debra going above and beyond is exactly what precipitated her being awarded the Spirit of America Foundation Award. She was in a grant writing workshop and heard about installation of fire alarms in people's houses, smoke detectors. So she actually coordinated with the Red Cross, wrote a successful grant, and coordinated the installation of 226 smoke detectors, fire alarms, in the homes of Pittston residents, making everyone safer and coordinating that work. So I'm very pleased that she's here today and respect and admire the work she does for the Town of Pittston and our community.

PASSED.

Sent down for concurrence.

THE PRESIDENT: The Chair is pleased to recognize in the back of the Chamber Debra MacInnes; her daughter, Cheyenne; and friend, Deborah Barry. Would they please all rise and accept the greetings of the Senate.
