

**STATE OF MAINE  
ONE HUNDRED AND TWENTY-NINTH LEGISLATURE  
FIRST REGULAR SESSION  
JOURNAL OF THE SENATE**

In Senate Chamber  
Tuesday  
March 19, 2019

Senate called to order by President Troy D. Jackson of Aroostook County.

Prayer by Pastor Peter Sheff, Abundant Grace Ministries in Searsmont.

**PASTOR SHEFF:** Thank you, President Jackson, and thank you, Senator Herbig, for inviting me to come. It's an honor. The scripture I've chosen this morning for our prayer is Psalm 75, Verse 7, but God is the judge. He puts down one and exalts another. Let us pray.

May we all recognize today, Father, Your hand in who is here and who is not here. These Senators here today are here not only because they won the votes of those who voted for them but even more so because You chose to place them here for a time such as this. Help them to sit where not only those who supported them sit but where those who did not vote for them sit. Help them to have compassion for the least among us and at the same time wisdom to deal with the complex issues that are before them. Help them, Father, to see Your hand in their personal lives and may that hand help to guide them in the decisions they make today and every day. Lord, help us, and help them, to reveal kindness and respect when we do not agree with each other. Help us to listen with open minds to one another and may Your will be done today and every day. Remind us of Your promise that if we would seek You with all of our heart we will find You. In Christ Jesus' name we pray. Amen.

Pledge of Allegiance led by Senator Ned Claxton of Androscoggin County.

Reading of the Journal of Thursday, March 14, 2019.

Doctor of the day, Linda Keniston, M.D. of Oakland.

## ORDERS

### Joint Orders

Expressions of Legislative Sentiment recognizing:

Kathryn Hopkins, of Norridgewock, who is being inducted into the Maple Hall of Fame at the International Maple Museum Centre by the North American Maple Syrup Council. Ms. Hopkins is only the second person from Maine to be so inducted. We extend our congratulations and best wishes;

SLS 136

Sponsored by Senator FARRIN of Somerset.  
Cosponsored by Senators: BLACK of Franklin, TIMBERLAKE of Androscoggin, Representatives: CURTIS of Madison, HALL of Wilton, KINNEY of Knox.

The Joint Order was **READ**.

**THE PRESIDENT:** The Chair recognizes the Senator from Somerset, Senator Farrin.

Senator **FARRIN:** Thank you, Mr. President. Ladies and gentlemen of the Senate, it's my honor today to stand and recognize Kathryn Hopkins of Norridgewock. For those that don't know about the Maple Syrup Hall of Fame, it is how appropriate that it's coming up on this week, that it's happening. Since 1977 the North American Maple Syrup Council Hall of Fame has recognized exceptional individuals in the maple syrup industry in the United States and Canada. Since that date, 91 individuals from 13 states and Canada have been inducted. Mrs. Hopkins is only the second Mainer to receive this prestigious honor and joined the ranks of another Somerset County resident. She's been involved in this process for over 20 years, and a lot of people think when, you know, you join the Hall of Fame it's time to retire. She has made it very clear that she has lots more work to do in educating Mainers and promoting the maple syrup industry and just very proud to have her husband here today and being recognized by the Senate and the House. Thank you, Mr. President.

**THE PRESIDENT:** The Chair recognizes the Senator from Franklin, Senator Black.

Senator **BLACK:** Thank you, Mr. President. Ladies and gentlemen of the Senate, it is my privilege and honor to stand up and say a few words about Kathy. I've known Kathy for I don't know how many years, a long time. She is maple syrup in the state of Maine. She is the expert. She has taught many classes on judging and quality of syrup, schools. She is our tech person that we go to. She sets our conferences. She sets up our trade shows. If you want to know if it's good maple syrup you ask Kathy Hopkins. She'll tell you whether it's good or not. I would like to thank her for her years of dedication and hard work to the maple syrup industry. The maple syrup industry in the state of Maine would not be what it is today if it hadn't been for Kathy Hopkins. I have even driven in a car for six hours to Northern Quebec to meet with Canadian producers to convince them that Maine maple syrup is better than theirs. Wasn't that what we went for? Yup. But it's an honor to stand up and she is so deserving of this award. The only reason that Senator Farrin can stand up is, because it's Somerset County and the other one was from Somerset County, Somerset County is the largest maple producing county in the world.

The Joint Order was **PASSED**.

Sent down for concurrence.

**THE PRESIDENT:** The Chair is pleased to recognize in the rear of the Chamber Kathryn and Bob Hopkins. They are from the Town of Norridgewock and they are guests today of the Senator from Somerset, Senator Farrin. Would they please rise and accept the greetings of the Maine State Senate.

Alicia Lawrence, of Cape Elizabeth, a senior at Cape Elizabeth High School, who has been named a Distinguished Finalist for 2019 by The Prudential Spirit of Community Awards, a nationwide program honoring young people for outstanding acts of volunteerism. We extend our congratulations and best wishes;

SLS 137

Sponsored by Senator MILLETT of Cumberland.  
Cosponsored by Representatives: CARNEY of Cape Elizabeth, KESSLER of South Portland.

The Joint Order was **READ**.

**THE PRESIDENT:** The Chair recognizes the Senator from Cumberland, Senator Millett.

Senator **MILLETT:** Thank you, Mr. President. Mr. President, ladies and gentlemen of the Senate, I am so pleased to be rising this morning to introduce to you a phenomenal young woman, Alicia Lawrence of Cape Elizabeth, a senior at the Cape Elizabeth High School who has been named the Distinguished Finalist for 2019 by The Prudential Spirit of Community Awards. The Prudential Spirit of Community Awards represents the United States' largest youth recognition program based solely on volunteer service. All public and private middle level and high schools in the country, as well as all Girl Scouts Councils, county 4-H organizations, American Red Cross Chapters, YMCAs, and affiliates of Points of Light Hands-on Network are able to select a student or member for this award. These local honorees are reviewed by an independent judging panel, which then selects the State honorees and distinguished finalists. Alicia is, as I said, a senior at Cape Elizabeth High School. She has used her background in competitive skiing to teach people of all ages and disabilities how to ski. She's made strong connections with these young people and I know that they are sad to lose her as she will be attending Cornell University next year. She's inspired to give back at the facility that hosted her swim practices. She also volunteers with the local Boys and Girls Club and instructs a robotics class once a week during the school year. I might add, in addition, she is the state record holder in the 200 meter relay, the 200 free relay, the 400 free relay, and has been one of the top freestylers in the state since her freshman year. Yes, Alicia is a slacker. It is an incredible honor to recognize Alicia's great work and, most importantly, her generous nature and shine a spotlight on her service to inspire others to consider how they might make a difference. Thank you, Mr. President.

The Joint Order was **PASSED**.

Sent down for concurrence.

**THE PRESIDENT:** The Chair would like to recognize in the rear of the Chamber Alicia and Lisa Lawrence. They are the guests today of the Senator from Cumberland, Senator Millett. They are actually from the Town of Cape Elizabeth. Would they please rise and accept the greetings of the Maine State Senate.

**THE PRESIDENT:** The Chair is very pleased to recognize in the rear of the Chamber the Bonny Eagle High School girls State Champion Cross Country team and boys basketball AA Southern Region Champions. The Chair would recognize the Senator from Cumberland, Senator Diamond.

Senator **DIAMOND:** Thank you, Mr. President. Yes, we are very proud of these two teams and I speak not for, but I suspect in addition to, Senator Chenette and Senator Sanborn to express our pride for these two teams. The Lady Scots, the cross country team, is just an unbelievable team. They're the 2018 Champions and they were the 2012 Champions, the 2013 Champions, the 2015 Champions, and the 2016 Champions. So out of the last seven years they've won the State Championship and, of course, their Coach, Mike Burlison, and Assistant Coach, T.J. Hesler. We're very, very proud of that team and of those young ladies and so glad that they could be here with us. The other team, Mr. President, are the Bonny Eagle boys basketball team. They won, as you mentioned, the AA Southern Regional title. It's only the third time in history that that's happened with the Bonny Eagle High School boys basketball team. Their first year Coach is Coach Trull and their record was 15-3 this year, and was their season record. Their Assistant Coach is a coach you may

recognize, Kevin Cooper, who was also the football coach. I would just say that having briefly met these young people this morning, it's really a pleasure to see them here and all they represent and they are the future for all of us and I would simply say thank you to them for all they've done and making us all so proud. Thank you, Mr. President.

**THE PRESIDENT:** The Chair would like to definitely congratulate both of the teams and, they're already standing, would they please accept the greetings and congratulations of the Maine State Senate.

Comes from the House with the Majority **OUGHT TO PASS AS AMENDED** Report **READ** and **ACCEPTED** and the Bill **PASSED TO BE ENGROSSED AS AMENDED BY COMMITTEE AMENDMENT "A" (H-9)**.

Reports **READ**.

Senator **MILLETT** of Cumberland moved the Senate **ACCEPT** the Majority **OUGHT TO PASS AS AMENDED** Report, in concurrence.

On motion by Senator **POULIOT** of Kennebec, supported by a Division of one-fifth of the members present and voting, a Roll Call was ordered.

**THE PRESIDENT:** The Chair recognizes the Senator from Kennebec, Senator Pouliot.

Senator **POULIOT:** Thank you, Mr. President. Men and women of the Senate, the opposition of this bill is really quite simple. We have a budget proposal that spends 99.95% of the revenues in one-time money that the State has projected to have. We simply do not have the \$25 million to fund this initiative. I ask that you follow my light. Thank you.

**THE PRESIDENT:** The Chair recognizes the Senator from Cumberland, Senator Millett.

Senator **MILLETT:** Thank you, Mr. President. Ladies and gentlemen, I respectfully disagree with my colleague. This bill is absolutely essential to get our schools back on track. Originally, in 1998 the goal of this fund was to supply \$200 million to meet state-wide needs for our infrastructure for schools and over that time only roughly \$100 million was appropriated. Most recently the most recent appropriation to this fund was a whopping \$1.5 million. This fund now stands depleted to the point where the Department is no longer accepting applications. The list of schools needing renovation and assistance is long and disturbing. Our schools are exhibiting serious structural issues and I'm afraid to say that there are even some that do not have basic fire safety infrastructure. I propose to you that we support this legislation, send it down to the Appropriations and Financial Affairs Committee, and allow them to make the decision as to whether or not there's room to support this very important fund for our schools. Thank you, Mr. President.

The Chair noted the absence of the Senator from Androscoggin, Senator **LIBBY**, and the Senator from York, Senator **LAWRENCE**, and further excused the same Senators from today's Roll Call votes.

**THE PRESIDENT:** The pending question before the Senate is Acceptance of the Majority Ought to Pass as Amended Report, in concurrence. Is the Senate ready for the question?

The Doorkeepers secured the Chamber.

The Secretary opened the vote.

Senator **BELLOWS** of Kennebec moved the Senate **ACCEPT** the Majority **OUGHT TO PASS AS AMENDED** Report.

On motion by Senator **TIMBERLAKE** of Androscoggin, supported by a Division of one-fifth of the members present and voting, a Roll Call was ordered.

**THE PRESIDENT:** The Chair recognizes the Senator from Androscoggin, Senator Timberlake.

Senator **TIMBERLAKE:** Senate President and members of the Senate, I ask you to consider for a second there's a lot of bills that are coming before us this year that have to do with businesses. Businesses are paying their bills. This is for people that, if you're a business owner, you've issued them their vacation pay, and for some reason or another, that either you ran out of work or whatever, but you have given them their vacation pay. Now remember, business owners have to pay a penalty for anybody that goes on unemployment. What this bill does now is punishing a business. If you have three or four weeks of vacation at the

end, the business is going to pay you, you're not going to go for three weeks without being paid. You're going to get your paycheck and then after you've received your last paycheck you will now qualify for unemployment. So at no time is this taking away from the employee, but it's protecting some of the employers who are doing, in good faith, paying their vacation pay and now you're double charging them because now this is going to go on their record and it will raise the rates that they have to pay in unemployment insurance. So I hope you support me in voting against this bill and supporting the Ought Not to Pass Report, and I thank you very much.

**THE PRESIDENT:** The Chair recognizes the Senator from Kennebec, Senator Bellows.

Senator **BELLOWS:** Thank you, Mr. President. I rise in support of the pending motion and I ask you to imagine for a minute that you are laid-off from your place of employment outside of the Legislature and that perhaps you have banked your vacation time. You have worked through vacation during the summer hours, during the holidays, because of your extraordinary commitment to your employer and you have not used your vacation time. In meantime a colleague who works right next to you, perhaps at the same rate of pay and the same job, has exhausted their entire vacation time and has never saved that vacation time. You're both laid-off. Under current law you're colleague, who's exhausted all of their vacation time, would immediately start to collect unemployment benefits. The current law would punish you for having accrued and saved your earned vacation time. Your unemployment benefits would be delayed. That is simply unfair and we should not be punishing workers for saving their vacation time and working hard for their employer. This bill does not cause double-dipping because it is wages that the person has earned prior to being paid off. The fiscal note, as you will note, attached to this bill is marginal because the cost to the Unemployment Trust Fund for this bill is low. This is simply a matter of rectifying an existing unfairness in the law. Thank you and I urge you to vote Ought to Pass.

**THE PRESIDENT:** The Chair recognizes the Senator from Waldo, Senator Herbig.

Senator **HERBIG:** Thank you, Mr. President. Women and men of the Senate, I agree with my good colleague, the Senator from Androscoggin. A lay-off is something that is both very difficult for an employer and an employee. Lay-offs cause such an incredible amount of instability to the person that they happen to and over the years in our state that's happened to a lot of really good women and men across our state. It causes instability for the most stable, responsible, hardworking employees and their families. Imagine not having a weekly paycheck or health insurance for your family that you've relied on for years perhaps. So imagine you're loyal to your employer and you don't take any vacations, right. Most Maine parents teach us that, don't they? My parents certainly did. Meanwhile your co-worker takes every vacation day available to him. Then you both get laid-off. Your co-worker gets to receive his unemployment check immediately. You, however, are told that the vacation time you've earned and rolled-over for years is being taken away from you in exchange for an unemployment check. This problem is far more common than you think. A constituent once told me he saved over 400 additional hours of vacation time to prepare for a potential lay-off,

should that happen to he and his family, to provide for a little bit more stability. This is directly from him, and I really want to share this story with you because I think it's important that we remember all of the women across the state that are impacted by these decisions we make in this Chamber. My constituent told me: 'Several years ago my employer, due to unstable levels of State and federal funding, gave me my two-week notice three times over a two year period. I would get no fancy severance package. Ultimately, my employment was continued but I remained cautious ever since that day. As a responsible person, I took a step at what I could do to protect my financial status for both me and my family. My employer allowed me to save my vacation time. I already had over 100 hours saved. Over the next several years I accumulated over 400 additional hours. I called this my own personal earned severance package for when I would inevitably get laid-off. Imagine to my surprise to learn that a law was changed in 2011 so now that if I get laid-off the rules have changed. Now I will not be able to collect unemployment until my earned vacation time is moved up. The money that would have been given to me now may very well be going to one of my co-workers who didn't save his vacation time while I was saving mine. He was vacationing while I was working.' It is not vacation time, it is earned time. It puts people who have been most loyal to their employers at a disadvantage in an already very difficult time. It kicks people while they are down. L.D. 75 is a smart fix to make sure Maine's workers earned pay is protected. What's fair is fair, Mr. President. Thank you.
