SLS 178

Senate called to order by President Michael D. Thibodeau of Waldo County.

Sponsored by Senator LANGLEY of Hancock.
Cosponsored by Representative: HUBBELL of Bar Harbor.

READ.

THE PRESIDENT: The Chair recognizes the Senator from Hancock, Senator Langley.

Prayer by Pastor Ronald Robinson, Scarborough Free Baptist Church.

PASTOR ROBINSON: Let us bow our heads in prayer, shall we. Dear Heavenly Father, we are so thankful for the blessing of this beautiful sunny spring day, but even more so the people in Maine are blessed with a Senate that humbles themselves and submits themselves to a mighty creator before their work day begins; a creator who is almighty, all powerful, all knowing, and is in all places. Father, go before them as they meet the challenges of this day. May they trust that Your presence is with them. Lord, we know there's a degree of animosity in certain quarters of politics today, but may it never be so in this Chamber. Lord, may it be filled with the spirit of cooperation, of friendship, and may the collective wisdom and knowledge and experience of these Senators meet the challenges in our State and bring it forward for all people in a good way. Lord, I just ask for all these things. We humbly beseech Your guidance and I pray for a blessing of faith for each Senator; a faith that can move mountains. Amen.

Senator **LANGLEY:** Thank you, Mr. President. Thank you, Mr. President, for taking this order out of order, actually. Women and men of the Senate, I rise today to recognize the fantastic accomplishments of the students of MDI High School. They are being recognized in both Bodies today for their accomplishments in the field of sports and also on stage. The student athletes of MDI have had quite a year and also the thespians, athletes and thespians, of MDI have had quite a year. Now as Chair of the Ed Committee it's really kind of fun when we have students come down here, and especially from our small school where students and athletes are often in every extracurricular activity that could be had at the school, but last fall the MDI football team made it all the way to the State Championship game but lost to Wells 44-0. My seatmate to the right of me represents Wells. We have this ongoing battle. It was a tough way for the football team to end their season, but, as you know with many of the small schools, these athletes go from one sport right to the next. So those athletes that played football also play basketball and some are also on the track team. After getting manhandled in football, Mount Desert Island turned the tables on Wells in the boys' basketball State Championship with a suffocating defense that paved the way for a dominant 59-39 victory in the Class B State Championship game. Now they could never have predicted that their opponent would be Wells, but it certainly helped motivate the team, just a little bit of revenge when they would face Wells in the Championship game. It was MDI's suffocating defense that proved to be the factor in this success. I can attest to this first hand. As you see, they crushed my hometown team of Ellsworth in our season ending rivalry. I live in Ellsworth and taught in Ellsworth and MDI is our fiercest rival. Now I rooted for Ellsworth in those local games, but as soon as we had lost the whole community in Hancock County was behind MDI as they faced their future opponents. These boys made school history as they won their first State Championship since the high school was formed in the last 60's.

Pledge of Allegiance led by Senator Andre E. Cushing, III of Penobscot County.

Reading of the Journal of Thursday, April 6, 2017.

Off Record Remarks

Out of order and under suspension of the Rules, the Senate considered the following:

ORDERS

Joint Order

Expressions of Legislative Sentiment recognizing:

The Mount Desert High School Boys Basketball Team, of Bar Harbor, which won the Class B State Championship. Members of the team include players Jimmy Carroll, Riley Swanson, Russell Kropff, Aaron Snurkowski, Mac Shea, Drew Rich, Gus Reeves,

Now in the other Body today not only will the basketball team be recognized but they then have a State Championship indoor track team and the State Championship drama team, all of which came down today. The MDI Trojans won the indoor track title for the first time in school history, and MDI has long been recognized as a powerhouse in the arts and music. It confirmed that with their near perfect scores for the drama team's rendition *The Insanity of Mary Gerard*. So these are incredible accomplishments for any school, and I don't know if we take enough time to really recognize the accomplishments of our

students and our student athletes, but more so, in my opinion, when the school is such a small school. If you draw a circle around MDI High School most of that circle is in water. They are down on an island. There are kids that come to school that ride a boat, a ferry, every morning to come to school. It's a very unique place. So parents, teachers, administrators, and students should be very proud of these accomplishments and it truly is an honor for me to have them all here today. Thank you, men and women of the Senate and Mr. President.

PASSED.

Sent down for concurrence.

THE PRESIDENT: The Chair is pleased to recognize in the Chamber today members from the Mount Desert Island High School boys' basketball team, indoor track team, one-act team. They are all the guests of the Senator from Hancock, Senator Langley, as well as leaders Brenda Jordan of Jolly Juniors Club, Heather Lennihan of Horse and Rider Club, as well as members of the Hancock County 4-H Club. Will all of these individuals please stand and accept the greetings of the State Senate.

THE PRESIDENT: The Chair recognizes the Senator from York, Senator Collins.

Senator **COLLINS:** Thank you, Mr. President. I'd just like to mention to the Chamber, my colleagues here in the Senate Chamber, how important high school sports really is. When you look at some of the teams we produce in our respective towns, and the rivalry that's created amongst neighboring towns, you just never know what you're going to get. That's why I've always been such a strong enthusiast of high school sports. From one year to the next you could have a championship team and the following year they're bringing up the rear. I always try to attend as many games as possible. It makes for a well-rounded student if they're involved in athletics in high school, as well as doing well academically. It's all part of the program, we can be very proud of young people. Thank you.

Senator MASON: Thank you, Mr. President. I rise for just a
minute to speak on Item 4-2, sentiment for Shay Cyrway, who is
the son of the Senator from Kennebec, Senator Cyrway. As we
all know, we all hand out a lot of Eagle Scout awards in our time
in the Legislature. We know that it's not only the boy who is
getting an award and doing a huge accomplishment, it's also a
great testament to the family that raised them as well. So
congratulations to Shay and thank you, Senator Cyrway, for
raising another exemplary Maine citizen. Thank you, sir.

PASSED.

I just want to take a minute to thank both Senator Diamond and Senator Davis for all the work that they put in on our behalf putting together the Legislative Auction. It's one of the things that really brings this Chamber together. We all look forward to it. We all go out and try to solicit different things for the auction to try to make sure it's a success, but it certainly isn't a success without a tremendous effort. I know that Senator Davis and Senator Diamond lead the charge in this Chamber, did a tremendous job. Once again it was tremendously successful and I know the reason that this Chamber feels so committed to making sure that it's a success every year is because we recognize that part of the success and, indeed, Maine's future is dependent upon a great and wonderful education for our young people. Today I think we're all a little bit prouder and feel like we were part of the success and part of the future of a long list of people from all across the State, from each and every county, of young people who are going to benefit because of the efforts made here by members and staff here in the State Legislature. I want to thank everybody, but particularly Senator Diamond and Senator Davis. Thank you.

Resolve

Resolve, To Designate a Portion of Route 43 in Corinth, Exeter and Corinna the Donald Strout, Sr., Memorial Highway
H.P. 503 L.D. 712

THE PRESIDENT: The Chair recognizes the Senator from Penobscot, Senator Cushing.

Senator **CUSHING:** Thank you, Mr. President. Ladies and gentlemen of the Senate, I just want to rise briefly to bring back to recollection the tremendous service that Representative Strout had done for this institution and the people of Maine. He served tirelessly as Town Manager. He served here in the Legislature for a number of years. I think it's only fitting that we take this opportunity to memorialize a true example of a public servant as his community will always have the ability to look to that highway as an example of somebody who served their community well. Thank you, Mr. President.

THE PRESIDENT: The Chair recognizes the Senator from Cumberland, Senator Diamond.

Senator **DIAMOND**: Thank you, Mr. President. Ladies and gentlemen of the Senate, just to follow up, Donny Strout was indeed one of the most respected members of this Legislature, that Legislature, those that he served in. He served on the Transportation Committee. One of the most, I think, outstanding things about Donny Strout was, even though he was a Republican, he really didn't play that role at all. He simply played that of being an excellent Legislator, caring about the State of Maine and caring about the Legislature he served in and being proud of both. So I think it's an honor, and an appropriate honor, that we pause just for a minute and say thank you to Donny Strout and recognize him as we are. Thank you, Mr. President.

FINALLY PASSED and, having been signed by the President, was presented by the Secretary to the Governor for his approval.

Ordered sent down forthwith.
