

**STATE OF MAINE
ONE HUNDRED AND TWENTY-EIGHTH LEGISLATURE
FIRST REGULAR SESSION
JOURNAL OF THE SENATE**

In Senate Chamber
Thursday
April 13, 2017

Senate called to order by President Michael D. Thibodeau of
Waldo County.

Prayer by Reverend Joan Smith, South Parish Congregational
Church in Augusta.

REVEREND SMITH: Good morning. Allow me to call us together as I call upon that which is most sacred for each of us and invite you into a spirit of prayer and reflection. You and I, each called to moral and political leadership of either church or State, walk a razor's edge. You here in the Senate of the people; I in the pulpit of this capital city. How do we set our feet upon bedrock, keep our eyes trained on true north? Let us begin by remembering a time when we failed and the person who gave us a leg up believed in us, gave us hope. From that experience of our failure, let us make choices that provide hope for others who look like failures, who then have the chance to succeed and help others. Let us remember a time when we were bullied and the person who came out of the shadows on our behalf, who stood with us, protected us. From that moment of fear, let us choose what provides protection for those who have lost the ability to do so for themselves, but who might, in turn, be empowered and do so for others. Let us remember a time when we were tempted by the need to be liked, to belong, to be powerful to keep our jobs, and yet have the courage to take an unpopular stand. From that close call with denying our conscience, let us have the courage to choose what will give us peace in the middle of the night. Let us remember when we've been worn down by confusing, contradictory events and information that defy clear thinking. Then remember getting that inexplicable second wind, getting below the muddy waters to see the clear channel, the "ah aha" that points the way. Let us choose to dive deep for the clear water of truth and follow it. One of sacred scriptures in the Judeo Christian tradition reads, and I quote, "For this law, which I am laying down for you today, is neither obscure for you nor beyond your reach. It is not in Heaven. It's not beyond the sea. The word is very near you. It's in your mouth and in your heart for you to put into practice. I put before you life and death. Choose life, that you and your decedents may live in good measure in the best of their days. Let us choose so that those whom we represent, whom we lead, especially those who cannot speak for themselves, may gain hope, self-respect, and, yes, even a life worth living, that those with ease and resources who have a vision of a more just and thriving community may be inspired to their own actions by our example." In closing, as we share the terrifying responsibility of the razor's edge we are not alone. Let us draw on our sacred source, whatever that might be, to respond to human and community needs in the best of times and in the worst of times. I put before you life and death. Choose life. Amen.

Pledge of Allegiance led by Senator Geoffrey M. Gratwick of Penobscot County.

Dear Honorable Members of the 128th Legislature:

Under the authority vested in me by Article IV, Part Third, Section 2 of the Constitution of the State of Maine, I am hereby vetoing LD 97, "An Act To Establish Speed Limits at Loring Commerce Centre and Brunswick Landing."

This bill allows the Department of Transportation and the Maine State Police to establish speed limits within the private property of the Midcoast Regional Redevelopment Authority in Brunswick and the Loring Development Authority of Maine in Limestone.

I am very concerned about the precedent this bill will set. The state should not be responsible for establishing speed limits on private property. If this bill becomes law, what process in the future will be used to determine which private ways will have the privilege of speed limits established by the state? Please consider this carefully as you vote on this veto.

For this reason, I return LD 97 unsigned and vetoed. I strongly urge the Legislature to sustain it.

Sincerely,

Dear Honorable Members of the 128th Legislature:

Under the authority vested in me by Article IV, Part Third, Section 2 of the Constitution of the State of Maine, I am hereby vetoing LD 329 "An Act Concerning the Law Governing the Posting of Newspaper Legal Notices and the Statewide Repository for Legal Notices."

Because we are now well into the Information Age, and given the ubiquity of the internet in our modern life, I believe that it is good policy for legal notices to be posted online. However, I also believe that requiring legal notices to be printed in newspapers at a fee does nothing but prop up a dying, antiquated industry. This requirement is a taxpayer subsidy of the worst sort. It serves to blur the line between a free press and one dependent on the State for revenue.

In the future, I would like the Legislature to explore whether we may eliminate the mandate that legal notices are posted in newspapers, but still maintain adequate notice to the public by posting online notification.

Because I think the issue of legal notices still requires attention, I cannot support this bill. For this reason, I return LD 329 unsigned and vetoed. I urge the Legislature to sustain it.

Sincerely,

S/Paul R. LePage

Dear Honorable Members of the 128th Legislature:

Under the authority vested in me by Article IV, Part Third, Section 2 of the Constitution of the State of Maine, I am hereby vetoing LD 7, "An Act To Allow Conveyance of Land Previously Conveyed by the State to the Town of Bridgton." This bill gives the town of Bridgton the ability to convey non-waterfront portions of a piece of property held for public use, if the town determines the portion to be conveyed have no identifiable public use. It also requires that revenues received by the town from such conveyance be held in a trust for parks and recreational purposes.

The state conveyed this parcel of land to the town in the 1970s with deed restrictions limiting its uses for recreational purposes. If the town does not have a use for portions of this property, which was conveyed for specific public purposes, then it should revert back to the state, and the state should benefit from the sale of the parcel or portions thereof.

For this reason, I return LD 7 unsigned and vetoed. I strongly urge the Legislature to sustain it.

THE PRESIDENT: The Chair recognizes the Senator from Androscoggin, Senator Mason.

Senator **MASON:** Thank you, Mr. President. Ladies and gentlemen of the Senate, it is my privilege and my honor to welcome to the Senate Chamber today the Calvary Christian Academy Swordsmen of Turner who won the A.C.E.L. Basketball Championship on February 24, 2017. The Calvary Christian Academy Swordsmen beat Hartland Christian School 38-35 in the championship game and the Swordsmen went undefeated 12-0 in the league this year and went 20-2 for the year. Calvary Academy clinched the Academy's 18th A.C.E.L. Championship

under Coach Wes Clark and I am a proud alumnus of this great institution, Mr. President, and I couldn't be more excited to have them here today. You know, before I came to this Body my professional life was spent in sports and I got to spend some time working in baseball and hockey, and some of the greatest memories that I have about working in sports were how the human spirit can accomplish incredible things through sports. We see a lot of examples of this in history. The 1980 U.S. Hockey Team playing what seemed like a foregone conclusion against the Russians and we ended up winning that game. In 2004 the Red Sox also beat insurmountable odds and won their first World Series Championship in almost a century. We just saw a very real example of that in 2017 as our beloved Patriots came from what seemed like certain defeat to win yet another Super Bowl. This team is no different. They have one of these stories. On the morning, the very early morning of this championship game, two of the players on this team, Brian Hewitt and Darin Hewitt, lost their Mom at 2 o'clock in the morning. Mrs. Hewitt was also a teacher at the school, where she taught kindergarten. I have known the Hewitt family my whole life. Mr. Hewitt was my history teacher. Mrs. Hewitt was always there cheering the kids on in sports. It would have been very easy for those two men to sit at home, to not play that game, but when they were asked why they played that game they said they wanted to play for their Mom. Those two boys went on the floor that night and they won that game for their Mom and I'm so proud of them for doing what they did because they showed that through sport we can express so much, and I know that because of our shared faith in Jesus Christ we know that Mrs. Hewitt saw that game that night and we know that we will see her again. So, boys, congratulations. This one was for your Mom. Welcome to the Senate. I hope you enjoy your day. Thank you.

PASSED.

Sent down for concurrence.

THE PRESIDENT: The Chair is pleased to recognize in the rear of the Chamber the coaches and members of the Calvary Christian Academy Championship team. Would they please rise and accept the greetings of the State Senate.

All matters thus acted upon were ordered sent down forthwith for concurrence.
