Joint Resolution

The following Joint Resolution:

H.P. 1079

JOINT RESOLUTION RECOGNIZING THE SOVEREIGNTY OF MAINE AND MEMORIALIZING THE PRESIDENT OF THE UNITED STATES AND THE UNITED STATES CONGRESS TO CEASE CERTAIN MANDATES

WE, your Memorialists, the Members of the One Hundred and Twenty-fifth Legislature of the State of Maine now assembled in the First Regular Session, most respectfully present and petition the President of the United States and the members of the Congress of the United States, as follows:

WHEREAS, the Tenth Amendment to the United States Constitution reads as follows: "The powers not delegated to the United States by the Constitution, nor prohibited by it to the States, are reserved to the States respectively, or to the people"; and

WHEREAS, the Tenth Amendment defines the total scope of federal power as being that specifically granted by the United States Constitution and no more; and

WHEREAS, the scope of power defined by the Tenth Amendment means that the Federal Government was created by the states specifically to be an agent of the states; and

WHEREAS, today, in 2011, it is as if the states are treated as agents of the Federal Government; and

WHEREAS, many federal laws seem to be in violation of the Tenth Amendment to the United States Constitution; and

WHEREAS, the Tenth Amendment assures that we, the people of the United States of America and each sovereign state in the Union of States, now have, and have always had, rights the Federal Government may not usurp; and

WHEREAS, Article IV, Section 4 says, "The United States shall guarantee to every State in this Union a Republican Form of Government," and the Ninth Amendment states, "The enumeration in the Constitution of certain rights shall not be construed to deny or disparage others retained by the people"; and

WHEREAS, the United States Supreme Court has ruled in *New York v. United States*, 112 S. Ct. 2408 (1992), that Congress may not simply commandeer the legislative and regulatory processes of the states; and

WHEREAS, a number of proposals from previous administrations and some now pending from the present administration and from Congress may further violate the United States Constitution; now, therefore, be it

RESOLVED: That We, your Memorialists, respectfully claim sovereignty under the Tenth Amendment to the United States Constitution over all powers not otherwise enumerated and granted to the Federal Government by the United States Constitution; and be it further

RESOLVED: That we urge and request that the President of the United States and Members of Congress, as our agents, work to end the federal mandates that are beyond the scope of these constitutionally delegated powers; and be it further

RESOLVED: That we urge and request that all compulsory federal legislation that directs states to comply under threat of civil or criminal penalties or sanctions or requires states to pass legislation or lose federal funding be prohibited or repealed; and be it further

RESOLVED: That suitable copies of this resolution, duly authenticated by the Secretary of State, be transmitted to the Honorable Barack H. Obama, President of the United States, to the President of the United States Senate, to the Speaker of the United States House of Representatives and to each Member of the Maine Congressional Delegation.

On further motion by same Senator, supported by a Division of one-fifth of the members present and voting, a Roll Call was ordered.

THE PRESIDENT: The Chair recognizes the Senator from York, Senator Sullivan.

Senator **SULLIVAN:** Thank you Mr. President. Men and women of the Senate, I am obviously on the Majority Report, Ought to Pass. I believe that transit services needs a home. For many of the larger cities, especially as we look at the price of fuel rising, this will become more and more of a problem. There has to be a place for things. If you have transit service in your communities and it really doesn't belong anywhere, it just sort of sits there,

than I would question the use of that money. Transit services are important and this simply moves it into another place as we look at many things that have been under the Growth Act needing a home. I sort of understand the three Senator rule, and I understand the two Senator rule here, but that does not stop me from putting our good Secretary to work and I would like a roll call. I just want you to remember, as fuel goes up transit services for our communities need a home and if we're going to subsidize and help pay for those transit services. Our seniors need to be able to get around and do what they need to, especially in the city part. I think it's good for our constituents, especially those who live in a community that offers transit services. Thank you very much, Mr. President.

THE PRESIDENT: The Chair recognizes the Senator from Somerset, Senator Thomas.

Senator **THOMAS:** Thank you Mr. President. Men and women of the Senate, we thought this was a burden on the small communities, even though it's only a small one, that they didn't need to have. The larger communities, because of home rule, can do what they want as it stands. That is why we moved the Minority Report. Thank you.

THE PRESIDENT: The pending question before the Senate is the motion by the Senator from Somerset, Senator Thomas to Accept the Minority Ought Not to Pass Report. A Roll Call has been ordered. Is the Senate ready for the question?

The Doorkeepers secured the Chamber.

(In Senate, April 12, 2011, **READ**.)

THE PRESIDENT: The Chair recognizes the Senator from Sagadahoc, Senator Goodall.

Senator **GOODALL:** Thank you Mr. President. Men and women of the Senate, it's a great honor today to rise and say a few great words about Rosemary Hentz. She is a dedicated public servant, like so many people in all the communities that we represent. For over 30 years she has been the heart and the pulse of the Georgetown Fire and Rescue Department. We are very fortunate to have her and her husband move to this great state in the early 1980's. Since then she has done almost everything in Georgetown. It's rare that I go to an event in the town of Georgetown without seeing Rosemary doing something, helping someone, or just saying a few kind words, or, quite frankly, challenging us when potentially we may have a different point of view. Last Saturday we had the great fortunate, many of us, to join Rosemary and her family at the Georgetown Community Center and over 100 people came out to support and thank her for her years of dedicated service. It's really important to note

that Rosemary has saved lives in her role in Georgetown. People often call her in the middle of the night, after they think long and hard about whether they should go to the hospital. Many of us say, "Well, I can wait until morning." What we have heard over and over again on Saturday was, "I'm going to call because if I don't call the Rescue Department Rosemary will never let it go." They do it in fear and as a result their lives are often saved, injuries are lessened, and people are made safe. I just wanted to rise and say a few kind words and thank her for her service.

PASSED.

Sent down for concurrence.

THE PRESIDENT: The Chair is pleased to recognize in the rear of the chamber Rosemary and John Hentz. Would they please rise and accept the greetings of the Maine Senate.

All matters thus acted upon were ordered sent down forthwith for concurrence.
