JOURNAL OF THE SENATE**

In Senate Chamber
Monday
November 6, 2017

Senate called to order by President Michael D. Thibodeau of
Waldo County.

Prayer by Senator Nathan L. Libby of Androscoggin County

SENATOR LIBBY: Good evening. Let us pray. God, let us be thankful for the roofs over our heads, for the food in our pantries, for the heat from our furnaces, for the electricity from the power - to power life's necessities and luxuries, and let us do everything we can to help those without any of those, and let us share in a moment of silence for the victims and survivors of gun violence in Sutherland Springs, Texas; Las Vegas, Nevada; and the 13 other locations in our country over the past year. Amen.

Pledge of Allegiance led by Senator Garrett P. Mason of Androscoggin County.

Reading of the Journal of Monday, October 23, 2017.

**STATE OF MAINE
OFFICE OF TAX POLICY
MAINE REVENUE SERVICES
24 STATE HOUSE STATION
AUGUSTA, MAINE**

November 1, 2017

Senate President Thibodeau
Speaker of the House Gideon
Members of the 128th Maine Legislature:

Pursuant to 5 M.R.S.A. §13070-J, Maine Revenue Services (MRS) is required to submit a report to the Legislature identifying the revenue foregone as the result of the Jobs and Investment Tax Credit ("JITC"), the Research Expense Tax Credit ("R&D"), the Seed Capital Investment Tax Credit, the Shipbuilding Facility Credit, the Credit for Maine Fishery Infrastructure Investment, and public funds spent on the Business Equipment Tax Reimbursement ("BETR") program. Attached are three reports that provide you with this information.

The First attachment shows the number of individual and corporate JITC, R&D, and Seed Capital credits for tax year 2015, as well as the value of those credits. Tax year 2015 is the last year for which we have full information on both corporate and individual filers. Statutes governing the release of confidential taxpayer information prevent us from reporting the names of the corporations or individuals that benefited from these tax credits. No taxpayer took advantage of the Credit for Maine Fishery Infrastructure Investment in tax year 2015.

The second attachment explains the Shipbuilding Facility credit. As required by statute, the report provides information on the level of employment, yearly investment and the cumulative amount of investment. Since the inception of the credit, the level of employment has been such that the annual cost to the state treasury has been at least \$3 million per year.

The third attachment is a list of BETR recipients. For purposes of this report, businesses that filed for reimbursement during the fiscal year ending June 30, 2017 are listed. Recipients filed between August 1, 2016 and December 31, 2016 for eligible property taxes paid during calendar year 2015. For that period the state reimbursed \$31,787,742 to 1,430 companies.

Public Law 2017, chapter 211 (LD 1551) repealed the requirement that MRS issue this annual report. In the future the information included in this report will be found in the biennial *Tax Expenditure* report issued in February of each odd-numbered year.

If you have any questions on this report, please do not hesitate to contact me.

Sincerely,

S/Michael J. Allen

The Honorable Paul LePage, Governor
The Honorable Michael D. Thibodeau, President of the Maine Senate
The Honorable Sara Gideon, Speaker of the Maine House of Representatives

Dear Governor LePage, President Thibodeau and Speaker Gideon:

On behalf of the Commissioners and staff of the Maine Human Rights Commission ("Commission"), we are pleased to present you with the 2017 Annual Report of the Commission. As you will see from the following, the Commission continues to uphold its statutory charge to enforce Maine's anti-discrimination laws. A few highlights are as follows:

- The number of new complaints filed in Fiscal Year 2017 increased by 12.4% from the year (from 611 to 687).
- Of new complaints filed, 69.4% were based on employment, 14.8% were based on housing, 15.1% were based on public accommodations, and 0.7% were based on education.
- With respect to type of allegation, *disability discrimination* represented 28.4% of complaints filed (an increase from last year's 25.2%). *Retaliation* complaints increased from 19.1% to 26.8% of complaints filed, with whistleblower retaliation complaints decreasing from 18.9% to 9.5%. *Sex discrimination* complaints decreased from 15.1% to 14.1%; sexual harassment is alleged in 39% of sex discrimination complaints. *Race/color/national origin/ancestry* complaints constituted 10.5% of complaints filed, an increase from 9.6% last year. *Age* complaints comprised 7.6%, and *sexual orientation* complaints were 1.1%, of complaints filed.

- Of the 228 cases in which Commission staff completed Investigator's Reports, 70.6% (161 cases) were uncontested. Commissioners heard argument in 67 of the 228 cases.
- In 31 of the 228 cases determined by the Commission after an Investigator's Report, the Commissioners found "reasonable grounds" to believe discrimination occurred, a rate of 13.6% (an increase from the prior year's 11.2%). In these 228 cases decided by Commissioners, there were 1697 distinct *claims* of discrimination made; of these claims, Commissioners found "reasonable grounds" in 150 claims. The reasonable grounds rate for Commission *claims* was 8.8%.
- At the end of FY 2017, 798 cases remained pending, a 9.9% increase in pending cases from the prior year.
- Commission staff delivered or participated in or delivered more than 38 training forums during FY 2017.

The Commission continues to promote diversity and tolerance, and to work to eliminate unlawful discrimination for all citizens of and visitors to Maine. We hope this report is of assistance, as our agency seeks to work closely with the Executive and Legislative branches as we jointly assure the citizens of Maine the protections afforded under the Maine Human Rights Act.
