SECOND REGULAR SESSION  
JOURNAL OF THE SENATE**

In Senate Chamber  
Tuesday  
March 20, 2018

Senate called to order by President Michael D. Thibodeau of  
Waldo County.

Prayer by Pastor Chris Grimbilas, New Life Baptist Church in Jay.

**PASTOR GRIMBILAS:** I would like to take just a moment to thank Senator Keim for inviting me. It's appreciated, and with that let's pray. Father, Lord God, I am thankful for the Senate, these men and women who give of their time and of themselves to help guide our State. Lord, I am thankful for all that You do for them. I am thankful for all that You do for us including the free offer of salvation that You make unto us. Lord, I pray today for these men and women, the Senators of our State, that You would give them knowledge to pay attention to the details that make a difference, that You would give them an understanding heart for their constituents, and the needs of their constituents. That, Lord, You would give them the wisdom to do that which is right. That they would recognize the God established government. They would have respect for what is right, Lord, that You would strengthen them to the task. That You would give them gratitude for the privilege of serving. Lord, that they would have dignity and respect one toward another and, Lord, that You would bring the divergent points of view that are represented in this room together for the good of the people of the State of Maine. Lord, I thank You for the privilege of being here and I am thankful to You for all that You do for us. Pray today that we bless this body and bless the work that they do, and we'd ask it in Jesus' name. Amen.

The Honorable Michael D. Thibodeau  
President of the Senate

The Honorable Sara Gideon  
Speaker of the House of Representatives

128<sup>th</sup> Legislature  
State House  
Augusta, ME 043333

Dear President Thibodeau and Speaker Gideon:

Pursuant to the State Government Evaluation Act (GEA), Title 3 of the Maine Revised Statutes, chapter 35, we are pleased to submit the findings of the Joint Standing Committee on Energy, Utilities and Technology (Committee) resulting from its review and evaluation of the Telecommunications Relay Service Advisory Council (Council).

As a result of our review, the Committee generally found that the Council is operating within its statutory authority. However, recognizing that due to the very specific nature of the Council and the sometimes limited universe of vendors for specific purposes, the Committee has voted to report out legislation pursuant to 3 MRSA §955(4), in order to consider implementation of the following statutory changes relating to the administration of the Council that the Council proposed in its report to the Committee. Specifically the legislation would do the following.

1. Changes the name of the Telecommunications Relay Services Advisory Council to the Telecommunications Relay Services Council.
2. Establishes the Telecommunications Relay Services Council Fund.
3. Allows members and individuals to be reimbursed for costs associated with the participation in conferences related to the telecommunications relay services and assistive telecommunications devices or technology.
4. Removes the requirement that the Public Utilities Commission provide technical assistance to the Council.
5. Allows the Council to pay costs associated with scheduled meetings.
6. Explicitly defines duties of the Council to include the ability to contract for intrastate telecommunications relay services and outreach services, to organize and fund projects to assist with promoting the use of telecommunications relay services, and to develop, administer and fund pilot projects to provide access to telecommunications relay services.
7. Changes the funding of the Council to require that the Council develop a yearly budget not to exceed \$600,000 instead of requiring that the Public Utilities Commission determine the funding level for the Council.
8. Requires that the requested budget amount be transferred by the commission into the Telecommunications Relay Services Council Fund.

It is our Committee's intent that this legislation be referred back to the Committee for a public hearing, work session(s) and a Committee vote before it is considered by the full Legislature.

Sincerely,

The Following Communication: S.C. 891

**STATE OF MAINE  
OFFICE OF THE GOVERNOR  
AUGUSTA, MAINE**

13 March 2018

The 128th Legislature of the State of Maine  
State House  
Augusta, ME

Dear Honorable Members of the 128th Legislature:

Under the authority vested in me by Article IV, Part Third, Section 2 of the Constitution of the State of Maine, I am hereby vetoing LD 1030, "An Act To Require Health Insurance Coverage for Covered Services Provided by Naturopathic Doctors."

This bill mandates that health insurance carriers in Maine include naturopathic doctors in their networks. Maine law has traditionally provided latitude to carriers to determine the providers for their networks subject to statutory network adequacy requirements. In practice, this bill would restrict their ability to construct provider networks to deliver quality and cost-effective services. If this bill passes, naturopaths will have no incentive to join insurance networks to perform their services as primary care physicians.

For these reasons, I return LD 1030 unsigned and vetoed. I strongly urge the Legislature to sustain it.

Sincerely,

S/Paul R. LePage  
Governor

**READ** and **ORDERED PLACED ON FILE.**

The Chair noted the absence of the Senator from Cumberland, Senator **DION**, and further excused the same Senator from today's Roll Call votes.

The accompanying Bill:

An Act To Require Health Insurance Coverage for Covered Services Provided by Naturopathic Doctors  
S.P. 337 L.D. 1030

**THE PRESIDENT:** The Chair recognizes the Senator from York, Senator Chenette.

Senator **CHENETTE:** Thank you, Mr. President. Men and women of the Senate, I just wanted to take an opportunity to thank Senator Whittemore and the entire Insurance and Financial Services Committee for the great bipartisan work of the Committee. It is not easy to come to a unanimous report of any committee. So I really appreciate that. I just wanted to flag for everybody here that the Committee directed the Bureau of Insurance to conduct about a six month study, extensive study, on this particular bill and it was determined by the Bureau of Insurance that not only there was no negative impact on premiums if this goes through, there is actually a strong potential that this is actually going to be a positive one, that it could actually reduce costs in our health insurance marketplace. That's a very positive thing for our constituents and I just wanted to read quickly just what this bill actually does in case you don't know. The compromise bill requires coverage for services provided by licensed naturopathic doctors if those services are within the scope of license and would be reimbursed if the services were provided by other licensed providers. This bill also prohibits carriers from excluding a naturopathic doctor from their networks as long as the naturopathic doctor is willing to meet the same terms and conditions as other participating providers. So quite simple, it's modeled after our neighbors New Hampshire and Vermont. So I hope- I urge this Body to override the veto.

The President laid before the Senate the following: "Shall this Bill become law notwithstanding the objections of the Governor? In accordance with Article IV, Part Third, Section 2 of the Constitution, the vote will be taken by the Yeas and Nays. A vote of yes will be in favor of overriding the veto of the Governor. A vote of no will be in favor of sustaining the veto of the Governor."

The Doorkeepers secured the Chamber.

The Secretary opened the vote.

**ROLL CALL (#538)**

EXCUSED: Senator: DION

32 Senators having voted in the affirmative and 2 Senators having voted in the negative, with 1 Senator being excused, and 32 being more than two-thirds of the members present and voting, it was the vote of the Senate that the veto of the Governor be **OVERRIDDEN** and the Bill become law notwithstanding the objections of the Governor.

The Secretary will inform the Speaker of the House of Representatives of the Senate's action.

All matters thus acted upon were ordered sent down forthwith for concurrence.

**WHEREAS**, 2 Virginia State Police officers, Lieutenant Pilot H. Jay Cullen and Trooper Pilot Berke M. M. Bates, died in a helicopter crash as they patrolled the events occurring below them; and  
**WHEREAS**, the Charlottesville community is engaged in a healing process following this horrific and violent display of bigotry; and

**WHEREAS**, the State fully supports the right to free speech, the right to assemble peaceably and the right to petition the government for a redress of grievances; however, the assembly in Charlottesville turned violent and it became clear that some in attendance were there to promote racial tensions, destroy our principles and do harm to the fabric of our nation; and **WHEREAS**, any organization that perpetuates violence and terrorism has no place in a civil society; and **WHEREAS**, any crimes committed by such organizations should be prosecuted to the fullest extent of the law; now, therefore, be it **RESOLVED**: That We, the Members of the One Hundred and Twenty-eighth Legislature now assembled in the Second Regular Session, on behalf of the people we represent, take this opportunity to condemn the violence and the attack that took place during the events on August 11 and August 12, 2017 in Charlottesville, Virginia; recognize the first responders who lost their lives in the course of monitoring the events; offer our deepest condolences to the families and friends of those individuals who were killed; extend our deepest sympathy and support to those individuals injured in the violence; and express our support for the Charlottesville community; and be it further **RESOLVED**: That We reaffirm our sworn oaths to defend the Constitution of the United States and the Constitution of Maine and reaffirm our solemn commitment to continue to protect and champion the rights and liberties of Maine citizens that are guaranteed under the state and federal constitutions, including freedom of expression; freedom of association, including the right to attend meetings without being illegally monitored and the right to belong to an organization without fear of reprisal; freedom from unreasonable searches and seizures; and the right to due process protections; and be it further **RESOLVED**: That We, your Memorialists, on behalf of the people we represent, take this opportunity to call upon our United States Representatives and Senators to review and, where warranted, strengthen laws to ensure law enforcement agencies have the necessary tools to prevent and prosecute acts of mass violence and domestic terrorism committed within the boundaries of our nation, as long as the laws do not infringe upon fundamental rights and liberties as recognized and enshrined in the United States Constitution and its amendments; and be it further **RESOLVED**: That suitable copies of the resolution, duly authenticated by the Secretary of State, be transmitted to the President of the United States Senate, the Speaker of the United States House of Representatives and each member of the Maine Congressional Delegation as well as the members of the Virginia Congressional Delegation.

**THE PRESIDENT:** The Chair recognizes the Senator from Cumberland, Senator Chipman.

Senator **CHIPMAN:** Thank you, Mr. President. Men and women of the Senate, I introduced this Resolution shortly after the horrific attack of August 11<sup>th</sup> in Charlottesville. As you all know, we were not in session at the time. It needed approval from Legislative Council and we needed some time to work through the language to come up something that hopefully everybody can support. I am really proud of the work that we did, Mr. President, working together with your staff, Rob Caverly, with Senator Katz, with some members of the other Body to come with some language that I hope all of you can support. This was a terrible event, a

terrible tragedy that I wish nobody would have to experience ever in this country. And while we express our strongest condolences and taking a stand against this kind of activity, words are not enough and we need action. In this Resolution we have an opportunity to more than just express our condolences but actually take action by calling on Congress to strengthen the laws against mass violence and domestic terrorism. There have been several more incidences unfortunately of mass violence and domestic terrorism around the country since this attack August 11<sup>th</sup>, and the only way we are going to be able to stop this type of incidences is if we strengthen the laws and if we go after the people who perpetrate this kind of violence and so that's what we are calling on Congress to do in this Resolution is to strengthen the laws against mass violence and domestic terrorism, but doing so in a way that does not violate anybody's constitutional rights. So it is a well-rounded Resolution. I hope all of you can join me in supporting it and, Mr. President, when the vote is taken I request that it be taken by the yeas and nays. Thank you.

On motion by Senator **CHIPMAN** of Cumberland, supported by a Division of one-fifth of the members present and voting, a Roll Call was ordered.

---

The President requested the Sergeant-At-Arms escort the Senator from Androscoggin, Senator **MASON**, to the rostrum where he assumed the duties as President Pro Tempore.

The President took a seat on the Floor.

The Senate was called to order by President Pro Tempore **GARRETT P. MASON** of Androscoggin County.

---

**THE PRESIDENT PRO TEMPORE:** The Chair recognizes the President.

Senator **THIBODEAU:** Thank you, President Pro Tem. Ladies and gentlemen of the Senate, racism is not a partisan issue. As a matter of fact, I believe it is un-American, and folks that perpetrate and encourage and live a life based on racism do great harm to the fabric of our nation. I think that every person in this room believes that. Yet, as Americans we recognize that people that have thoughts that are very, very different than our own, values that are very, very different than our own also enjoy protections as Americans. I personally want to thank Senator Katz, as well as Representative Talbot-Ross, for working really, really hard with my office to make sure that we send the exact right message about the State of Maine, sent the right message to the folks that are making laws in Washington D.C. about how we feel about this very, very important issue. See we understand the First Amendment. We don't want American citizens surveilled based upon their associations. That's un-American. Yet we do want to be clear, there really isn't any place in our nation for people to base their opinion off another human being based upon the color of their skin. It's un-American. So I know that Senator Katz, as well as Representative Talbot-Ross, worked for hours and hours, along with the staff here in the Senate, trying to find the exact right balance. They made it incredibly clear that we reject hatred and bigotry in the State of Maine and we want our federal leaders

to do anything and everything they can to strength laws so long as they don't run afoul of the First Amendment. So I think that this sends that message in a very, very clear way. It makes it abundantly clear how we feel as a State, and I think we all should be very proud of this document. Thank you, Mr. President.

The Doorkeepers secured the Chamber.

The Secretary opened the vote.

**THE PRESIDENT:** The Chair recognizes the Senator from Knox, Senator Miramant.

Senator **MIRAMANT:** Thank you, Mr. President. Men and women of the Senate, I rise to speak in opposition to this motion. It's not that we don't need some comprehensive reform on the way we fund our infrastructure, it's that this single mechanism will do almost nothing. It's a drop in the bucket to the \$60 million annually that we are short, and I expect soon to take up comprehensive overhauls of that program and others within Transportation. Everyone agrees it's not a partisan issue and we are going to be faced with even greater shortfalls as the cost of oil goes up, which is a big bases for most of our infrastructure. So this isn't the way. It does one thing, and it doesn't do it well. So I hope you reject this and we reject the bill.

**THE PRESIDENT:** The Chair recognizes the Senator from Cumberland, Senator Carson.

Senator **CARSON:** Thank you, Mr. President. Ladies and gentlemen of the Senate, I, too, rise in opposition to the proposal pending. We need to fund our roads, our bridges, our infrastructure in a realistic fashion, and those people who drive hybrids or electric cars, and I have a Honda Civic Hybrid which I bought in the summer of 2002, so I have got nearly sixteen years and 235,000 miles on the car and it has served me well. I am happy to pay more gasoline taxes for the gasoline that that car uses when I drive from Harpswell up to the Senate, or anywhere else in the State. But we can't do, we should not embrace a proposal like this because it does essentially nothing other than offer a signal that we are going to penalize people who drive hybrids or electric cars, which is not the signal that we want to send. These cars avoid air pollution. They use less fossil fuel. They get people from point A to point B in a much more efficient fashion, and a proposal like this makes absolutely no sense. Thank you, Mr. President.

On motion by Senator **LIBBY** of Androscoggin, supported by a Division of one-fifth of the members present and voting, a Roll Call was ordered.

**THE PRESIDENT:** The Chair recognizes the Senator from York, Senator Collins.

Senator **COLLINS:** Thank you, Mr. President. Ladies and gentlemen of the Senate, these hybrid vehicles and total electric vehicles are becoming increasingly popular as the technology advances and the affordability is more apparent, more and more are sold. This bill, in the report that I asked the Senate to move, is a step in the right direction. You have got to start somewhere about picking up the slack of vehicles who get fifty to sixty miles per gallon. I mean that's commendable we have the technology to allow that but nevertheless the road use tax which in the case of Maine is a gasoline tax. They are getting a break however the rest of us are not. We have to pick up the slack. So it seems only fair to me and along with many others that an additional fee be charged on hybrid vehicles as well as total electric vehicles. So I urge you to follow my light. Thank you, Mr. President.

**THE PRESIDENT:** The Chair recognizes the Senator from Aroostook, Senator Jackson.

Senator **JACKSON:** Thank you, Mr. President. Ladies and gentlemen of the Senate, I just quickly want to say that thankfully for the hard work of many people, including the Senator from Washington County Senator Maker, hopefully we'll have a much better result of this bill. I think the court case yesterday was very clear that full amount of the people, staff, that was working at Downeast Correctional Facility, and the full amount of prisoners should be returned there. We don't always get what we want in this building but whenever decisions are made like this it is important to respect it and hopefully that's what's going to happen in this case, and I just want to reiterate that is a case, it was resolved. There is a decision. It is important for all of us in state government to respect that decision. So I just wanted to get up and make sure that that was, I mean clearly I know that everyone in this room feels that way, but it's important that all of state government understands what that case decided and so with that, again, Senator Maker, great job.
