Dear President Jackson and Speaker Talbot Ross:

Pursuant to 5 M.R.S.A., Section 12023, please consider this the letter of transmittal for the required report from the University of Maine System (UMS) due by Feb. 1, 2024 documenting our qualifying sole-source procurements and contributions in FY23.

UMS is an economic engine for Maine. The System prepares Maine's workforce, supports small businesses through world-class research and innovation, serves as one of state's largest employers, and through its purchasing goods and services from Maine businesses or those that employ many Mainers, positively impacts the Maine economy. In FY23 alone, UMS made \$105 million in payments to Maine vendors across 424 towns in the state.

More than one-half of the System procurements listed in this report are a result of a vendor/partner being named specifically in a grant award, typically from a federal agency. For example, the Maine Forest Products Council is specifically identified as a sub-recipient in several federal grants received by the R1 University of Maine from the U.S. Economic Development Administration during this reporting period. Those grants support our shared efforts to help Maine innovate its forest economy and dependent rural jobs in response to changing markets, technologies and climate.

If you need any additional information, please contact UMS Director of Government Relations Samantha Warren in my office at samantha.warren@maine.edu. Thank you for your ongoing interest and support of Maine's public universities.

Sincerely,

S/Dannel P. Malloy, Chancellor

MAINE COMMUNITY COLLEGE SYSTEM

January 30, 2024

Honorable Rachel Talbot Ross
Speaker of the House
2 State House Station
Augusta, Maine 04333

Honorable Troy D. Jackson
President of the Senate
3 State House Station
Augusta, ME 04333-0002

Dear Speaker Talbot Ross and President Jackson:

On behalf of the Board of Trustees of the Maine Community College System (MCCS), I respectfully submit the attached report on certain procurements, contributions, and policy changes for the period July 1, 2022, through June 30, 2023, as required by 5 M.R.S.A. § 12023.

To compile this report, MCCS used customized reporting features built into our business management systems. We then tested the validity of those reports and reviewed several transactions with college personnel. Combined, the seven colleges and the MCCS System Office make thousands of purchases each year.

While reporting is complex, our review indicates that the colleges' compliance with existing policies is extremely high, and expenditures are consistently mission related. In those few areas where we have identified need for improvement, refinements have been made or are under way.

MCCS will continue to use its internal controls and annual outside audit to adapt its systems to changing needs, and our Board of Trustees will continue to monitor compliance through regular reporting and an ongoing dialogue with auditors.

If you have any questions, please do not hesitate to contact me. Thank you.

Sincerely yours,

S/David Daigler
President
